### Sam's Sandwich

Just how gross can Sam make that sandwich he's giving to his sister? Lift the flaps to find out A classic kid-pleaser, back by popular demand. ### The Shortest Day

Candlewick Press (MA) In this seasonal treasure, Newbery Medalist Susan Cooper's beloved poem heralds the winter solstice, illuminated by Caldecott Honoree Carson Ellis's strikingly resonant illustrations. So the shortest day came, and the year died . . . As the sun set on the shortest day of the year, early people would gather to prepare for the long night ahead. They built fires and lit candles. They played music, bringing their own light to the darkness, while wondering if the sun would ever rise again. Written for a theatrical production that has become a ritual in itself, Susan Cooper's poem "The Shortest Day" captures the magic behind the returning of the light, the yearning for traditions that connect us with generations that have gone before -- and the hope for peace that we carry into the future. Richly illustrated by Carson Ellis with a universality that spans the centuries, this beautiful book evokes the joy and community found in the ongoing mystery of life when we celebrate light, thankfulness, and festivity at a time of rebirth. Welcome Yule!

### Make Magic! Do Good!

Candlewick Press From from an exciting new face in children's literature, Dallas Clayton, comes a book of illustrated poems full of wisdom, wonder, and whimsy. A boy with a beard tries to stay six forever. A frightful monster lives a million miles away, but is equally scared of you. A magic rope hangs from the sky, next to a sign saying "Give me a try." In this brightly illustrated selection of playful, often provocative poems, ideas run the gamut from stopping your lightning-fast running to help others keep up, imagining a store that sells colors never before made, or admitting you'll never know all the answers (and sleeping better at night). Following the runaway success of his self-published debut, Dallas Clayton's quirky, captivating collection makes it clear that this rising talent, whose work has evoked comparisons to Dr. Seuss, Maurice Sendak, and Shel Silverstein, exudes a spirit and style all his own.

### The Jungle Books

### Large Print

Independently Published The Jungle Books can be regarded as classic stories told by an adult to children. The stories, a mixture of fantasy, myth, and magic, are underpinned by Kipling's abiding preoccupation with the theme of self-discovery, and the nature of the 'Law'.
