BY THE WINNER OF THE 2021 NOBEL PRIZE IN LITERATURE

A&C Black By the winner of the 2021 Nobel Prize in Literature Abbas has never told anyone about his past; about what happened before he was a sailor on the high seas, before he met his wife Maryam outside a Boots in Exeter, before they settled into a quiet life in Norwich with their children, Jamal and Hanna. Now, at the age of sixty-three, he suffers a collapse that renders him bedbound and unable to speak about things he thought he would one day have to. Jamal and Hanna have grown up and gone out into the world. They were both born in England but cannot shake a sense of apartness. Hanna calls herself Anna now, and has just moved to a new city to be near her boyfriend. She feels the relationship is headed somewhere serious, but the words have not yet been spoken out loud. Jamal, the listener of the family, moves into a student house and is captivated by a young woman with dark-blue eyes and her own, complex story to tell. Abbas's illness forces both children home, to the dark silences of their father and the fretful capability of their mother Maryam, who began life as a foundling and has never thought to find herself, until now. _____ 'Gurnah is a master storyteller' FINANCIAL TIMES 'Gurnah writes with wonderful insight about family relationships and he folds in the layers of history with elegance and warmth' THE TIMES

It is a book to keep at the bedside, or on the living room table—a book to dip into as needed, to browse in now and then, to enjoy in small stimulating portions. It is a book for the hours and for the years, a book to turn to over and over again, as to a friend, a book of moral, spiritual and ethical guidance, an unfailing source of comfort and inspiration."—Lester J. Bradshaw, Jr., Former Dean, Dale Carnegie Institute of Effective Speaking & Human Relations "I have read almost every book that has ever been written on salesmanship, but I think Og Mandino has captured all of them in The Greatest Salesman in the World. No one who follows these principles will ever fail as a salesman, and no one will ever be truly great without them; but, the author has done more than present the principles—he has woven them into the fabric of one of the most fascinating stories I have ever read."—Paul J. Meyer, President of Success Motivation Institute, Inc. "I was overwhelmed by The Greatest Salesman in the World. It is, without doubt, the greatest and the most touching story I have ever read. Hensley, President, Life Insurance Co. of Kentucky

THE GIFT

A NOVEL

Dell On a June day, a young woman in a summer dress steps off a Chicago-bound bus into a small midwestern town. She doesn't intend to stay. She is just passing through. Yet her stopping here has a reason and it is part of a story that you will never forget. The place is a small midwestern town with a high school and a downtown, a skating pond and a movie house. And on a tree-lined street in the heartland of America, an extraordinary set of events begins to unfold. And gradually what seems serendipitous is tinged with purpose. A happy home is shattered by a child's senseless death. A loving marriage starts to unravel. And a stranger arrives—a young woman who will touch many lives before she moves on. She and a young man will meet and fall in love. Their love, so innocent and full of hope, helps to restore a family's dreams. And all of their lives will be changed forever by the precious gift she leaves them. The Gift, Danielle Steel's thirty-third best-selling work, is a magical story told with stunning simplicity and power. It reveals a relationship so moving it will take your breath away. THE LAST LECTURE

Hachette Books "We cannot change the cards we are dealt, just how we play the hand."---Randy Pausch A lot of professors give talks titled "The Last Lecture." Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—"Really Achieving Your Childhood Dreams"—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because "time is all you have...and you may find one day that you have less than you think"). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

DEVELOPMENT FOR ACADEMIC LEADERS

A PRACTICAL GUIDE FOR FUNDRAISING SUCCESS

John Wiley & Sons DEVELOPMENT FOR ACADEMIC LEADERS In addition to their other duties, academic leaders are expected to network with potential donors and to be productive and enthusiastic fundraisers. More often than not, however, academic leaders are given little or no training on how to be savvy fundraisers for their institutions. Development for Academic Leaders is a much-needed resource that offers a concise yet comprehensive guide to fundraising for those who are new to the process. The book clarifies roles,

responsibilities, programs, activities, politics, and funding sources as well as offering a review of the overall process. Written by Penelepe C. Hunt, a successful practitioner of and noted expert in academic fundraising, the book includes information on attracting and retaining effective development officers and contains suggestions for deans (and other campus leaders) for working effectively with these valued members of their institutions. Hunt introduces novice fundraisers to the cycle of giving (identification, qualification, cultivation, solicitation, and stewardship) and provides information on how and when to take part in the fundraising process. She defines the various types of funding including annual gifts, major gifts, planned gifts, and principal gifts and reveals why ascertaining which type of gift will be most appealing to a donor is an important part of planning for a successful solicitation. Development for Academic Leaders also contains suggestions for overcoming reluctance on the part of leaders to ask potential donors for a gift. Hunt explains that donors do not give merely because our programs need and deserve support. They give because of their own desires, passions, and aspirations. Development for Academic Leaders also reveals the importance of participating in your institution's overall development communications efforts and offers a general overview of campaign and event principles and how you can use these funding strategies to the advantage of your college. For any academic leader who participates in their program's fundraising efforts, this important resource offers a wealth of information for becoming a creative, skilled, and successful part of the fundraising team.

THE SIMPLE WILD

A NOVEL

Simon and Schuster City girl Calla Fletcher attempts to reconnect with her estranged father, and unwittingly finds herself torn between her desire to return to the bustle of Toronto and a budding relationship with a rugged Alaskan pilot in this masterful new romance from acclaimed author K.A. Tucker. Calla Fletcher was two when her mother took her and fled the Alaskan wild, unable to handle the isolation of the extreme, rural lifestyle, leaving behind Calla's father, Wren Fletcher, in the process. Calla never looked back, and at twenty-six, a busy life in Toronto is all she knows. But when her father reaches out to inform her that his days are numbered, Calla knows that it's time to make the long trip back to the remote frontier town where she was born. She braves the roaming wildlife, the odd daylight hours, the exorbitant prices, and even the occasional—dear God—outhouse, all for the chance to connect with her father: a man who, despite his many faults, she can't help but care for. While she struggles to adjust to this new subarctic environment, Jonah—the quiet, brooding, and proud Alaskan pilot who keeps her father's charter plane company operational—can't imagine calling anywhere else home. And he's clearly waiting with one hand on the throttle to fly this city girl back to where she belongs, convinced that she's too pampered to handle the wild. Jonah is probably right, but Calla is determined to prove him wrong. As time passes, she unexpectedly finds herself forming a bond with the burly pilot. As his undercurrent of disapproval dwindles, it's replaced by friendship—or perhaps something deeper? But Calla is not in Alaska to stay and Jonah will never leave. It would be foolish of her to kindle a romance, to take the same path her parents tried—and failed at—years ago. It's a simple truth that turns out to be not so simple after all.

BUDDHISMS IN ASIA

TRADITIONS, TRANSMISSIONS, AND TRANSFORMATIONS

State University of New York Press A guide to Buddhism's rich variety of traditions and cultural expressions for educators who would like to include Buddhism in their undergraduate courses. Over its long history, Buddhism has never been a simple monolithic phenomenon, but rather a complex living tradition—or better, a family of traditions—continually shaped by and shaping a vast array of social, economic, political, literary, and aesthetic contexts across East Asia, South Asia, and Southeast Asia. Written by undergraduate educators, *Buddhisms in Asia* offers a guide to Buddhism's rich variety of traditions and cultural expressions for educators who would like to include Buddhism in their undergraduate courses. It introduces fundamental yet often underrepresented Buddhist texts, concepts, and material in their historical contexts; presents the major "ecologies" of Buddhist belief, practice, and cultural expression; and provides methodological insights regarding how best to infuse Buddhist content into undergraduate courses in the humanities and social sciences. The text aims to represent "Buddhisms" by approaching the subject from a broad range of disciplinary perspectives, including art history, anthropology, history, literature, philosophy, religious studies, and pedagogy. "I teach an introductory course on Buddhism on a regular basis, and every single chapter of this book gave me ideas for materials I could incorporate, new modules I might develop, and/or better ways I might organize and present existing content to students. I think that the book will be particularly useful to educators in Asian studies who are not themselves specialized in areas of Buddhism or religion. The collection gives them the information on Buddhist philosophy, doctrine, and practice that they would need to better incorporate the role of Buddhism into classes on Asian culture, history, society, and politics." — Leah Kalmanson, coeditor of *Buddhist Responses to Globalization*

HarperCollins International phenomenon Angie Thomas revisits Garden Heights seventeen years before the events of *The Hate U Give* in this searing and poignant exploration of Black boyhood and manhood. A Printz Honor Book! If there's one thing seventeen-year-old Maverick Carter knows, it's that a real man takes care of his family. As the son of a former gang legend, Mav does that the only way he knows how: dealing for the King Lords. With this money he can help his mom, who works two jobs while his dad's in prison. Life's not perfect, but with a fly girlfriend and a cousin who always has his back, Mav's got everything under control. Until, that is, Maverick finds out he's a father. Suddenly he has a baby, Seven, who depends on him for everything. But it's not so easy to sling dope, finish school, and raise a child. So when he's offered the chance to go straight, he takes it. In a world where he's expected to amount to nothing, maybe Mav can prove he's different. When King Lord blood runs through your veins, though, you can't just walk away. Loyalty, revenge, and responsibility threaten to tear Mav apart, especially after the brutal murder of a loved one. He'll have to figure out for himself what it really means to be a man.
