The Clarity Series (Books 1-3) [ThunderWords Press](#) A beloved USA Today bestseller containing the first three books in the Clarity series. Her world has always been dark, but he might be able to change everything... Fiercely independent Helen Winters was born completely blind, but she vowed never to let her disability keep her down. She did not expect a violent attack to devastate her life and force her to drop out of college. Disillusioned by the cruelty of people, Helen retreated from society to live by herself as a reclusive writer in the woods--where no one could ever hurt her again. When a brilliant young doctor shows up on her doorstep, promising her that his new research can give her the ability to see for the first time, Helen stubbornly refuses. She has learned not to trust anyone, and to rely only on herself. But Dr. Liam Larson will not take no for an answer. He makes it his personal mission to rescue Helen from her loneliness, and bring joy into her world once more--the joy she has denied herself for so long. When Helen's demons come racing back into her life, threatening to rip her apart and destroy the strength she has carefully rebuilt, Liam is the only one who might be able to save her. Can he reach the broken girl in time, helping her to heal and see the world in a different light? Or will Helen's grief send her spiraling out of control, lost to him forever? Clarity 2: Helen Winters was living a lonely existence when the charming Dr. Liam Larson coaxed her out of solitude with the promise of healing her sightless eyes. She was hopeful at the prospect of gaining vision for the first time and being reunited with her family. She was also growing somewhat fond of the persuasive young doctor. For the first time in years, she was being magnetically drawn to a new friend... Then everything came crashing down. Plunged into a hellish nightmare, Helen is forced to face the same evils she ran away to escape so long ago. She is unprepared to have her hopes crushed and her peace destroyed. She finds herself living in constant terror and drowning in fear--and Liam's voice is the only thing that can keep her afloat. His comforting touch becomes the only light in her pitch-black darkness. Helen has always been a tough girl who relied only on herself. But this time, she can't survive alone. Due to the horrors of her past, Helen has promised herself not to trust anyone. When her life becomes unbearable, how can she trust Liam enough to let him save her? Clarity 3: After many years of darkness, Winter never thought that she'd be happy or safe again. Her whole world changed when she met Liam Larson, a charming young doctor determined to be her knight in shining armor. When a brutal night unleashes vicious reminders of her past, Winter must struggle to hold on to the little bit of happiness she has found. When everything begins to fall apart, Liam's strength and kindness might not be enough to save her. Battling with the betrayal of her family, terrifying nightmares, and frequent reminders of her enemy that make daily life difficult, Winter's first instinct is to run away. She is tired of being the victim and living in a cruel, crowded city where she doesn't feel like she belongs. But Liam promises her that if she only trusts him, he can change everything. And that's exactly what he attempts to do, starting with an operation to heal her eyes, and then her heart... 24 Hours Changed Me Book 1: Kids of Celebrities Trilogy [WestBow Press](#) In book 1 of the Kids of Celebrities Trilogy, Danni is her own worst enemy. The Hazards Series Books 1-3 [Alyssa Rose Ivy](#) *Includes three full length New Adult Romance Books* The Hazards of Skinny Dipping This isn't a deep book about first loves or self-discovery. If you want a book like that, I'd be happy to recommend one, but I don't have that kind of story to tell. Instead my story is about rash decisions and finding out that your dream guy is bad in bed. It's the story of when I finally went skinny dipping, and how my life was never the same again. Oh, and it's also the story of my freshman year of college and realizing Mr. Right might have been there all along. The Hazards of a One Night Stand One small town boy, one girl who wants more, one roll in the hay... Hooking up with your high school crush is a bad idea, a really bad idea. It was only supposed to be one night, one brief departure from my real life, but nothing ever works out exactly the way you plan. Colton Waters was everything from my past that didn't fit into my present, so why did he have to show up at my college and pledge the one frat I couldn't avoid? Because nothing is ever meant to happen just once. At least not the life changing things that mean the difference between falling apart and falling in love. The Hazards of Sex on the Beach One broken heart, one drink too many, one steamy night in the sand... No one warns you about the dangers of drinking with a broken heart. At least no one warned me. I never imagined I'd fall for a musician, especially not one like Chase, but then again I never expected to have my heart broken into a million pieces by the frat guy I thought was the love of my life. Sometimes it's the rash decisions, like hooking up in the sand, that lead you to the best places--the kinds of places where it's possible to let yourself fall in love again.
