UNAPOLOGETICALLY, ME.

CreateSpace This book is a compilation of my thoughts-- transformed into poems, quotes, and self notes. At the unseasoned age of 20, I can testify to life taking me through some expected changes and detours. There were many days that I couldn't speak, think, or even write clearly. Through silence, prayer, and this little writing outlet, I've learned so much. I've found inspiration in the most unexpected places. I've learned that it's okay to cry. It's okay to not know all the answers. It's okay to be you-- Unapologetically you. Sometimes, it's even okay to feel lost.. So long as you remember who you are. We're all destined for greatness and success. I pray this book opens minds, encourages smiles, and inspires creativity. Above all, I'm forever grateful to my Heavenly Father for his magnificent plan over my life.

THE VAGRANT THOUGHTS OF A WANDERING MAN

Notion Press In this bouquet of poems I present to you my humble thoughts in simple words on a variety of topics. I have sung about the beauty of love. I have tried to let you hear the sighs and sobs in silence of struggling and suffering people. I have expressed my concerns about our planet and the need to keep it clean and green. I have written about the bond between God and man and his despair despite the prayers he raises. I have also shown the dark side of humanity wondering how man can oppress, exploit, enslave and kill others and sadly, try to justify it. Here, you can hear the muffled, dying cries of a new born girl child. Some songs are my thoughts that loved to wander far on the wide wings of the flying wind. Through most of the poems on social themes I am appealing to the conscience of the people to abandon violence particularly against women, children and the weak and to build a beautiful world of peace and love. May the humorous poems bring a smile on your face and laughter in your soul. Hope you will enjoy reading the book.

Somerset Publishers Incorporated

DISMAL PEAKS AND OBSCURE VALLEYS

THE LYRICS AND POEMS OF JUD BLOCK

Createspace Independent Publishing Platform Jud Block grew up in Texas in the 80s and 90s; heard the siren songs of Waylon, Townes, Billy Joe, Kris, and the Scottish poetry of Stuart Adamson, which afflicted him with a love of music at an early age; lacking any vestige of a Puritan work ethic, he learned to play bass and lurked around the Arlington/Fort Worth punk rock scene with a few bands (Elysian Fields/Death Rabbis) until it became clear that fashion had usurped the music's message, and he turned in his Doc Martens; around this time he bought his first acoustic guitar and learned five chords, which he later discovered was two chords too many, but he figured if he ever decided to go into prog rock, he's covered; after leaving Texas, he didn't play in a band, or solo, again until the outskirts of the new millennium, when he took on bass duties for an all-original blues-rock band (Kenny's New Car) in Orlando, Florida; in 2001, he moved to Charlotte, NC, and formed Cattletruck terrorizing the staid mindset of the financial district for nearly 10 years and released two CDs, Bourbon and Black Crepe and Branches from the Hangin' Tree, until that beast ran off the road and was left to become one with the Earth in some backwoods pasture; In 2009, he released his first solo CD, Empty Chamber Grace, a solo acoustic collection of dark, gallows humor-infused tales heavily influenced by Townes Van Zandt, Brent Best, Eric Taylor, Tom Russell, Charles Bukowski, and Larry Brown; and in 2012, he released his second CD, Barroom Gravity, which draws from the same influences as the first, but with a bit more flesh on the bones . In 2013, he returned to his home state of Texas armed only with an acoustic guitar and a stash of incisive lyrics in search of a few folks who'll take the time to listen.

THE UNPRECEDENTED MELODIOUS WORDS OF AJEE DA POET

Shelley\Fowler A compilation of poetry that will make you think, rejoice, and contemplate about life and the world around us.

BENDING TO BEAUTY

Createspace Independent Publishing Platform In **Bending to Beauty**, Dian Zirilli-Mares uses powerful words and metaphors to craft poems that express universal truths. This is why, as the poet examines the loves and losses of life - she writes of our lives as well. We see clearly that we share dreams, joys, fears. Readers of a certain age will relish poems of childhood memories, as Ms. Zirilli-Mares captures a precious time and place, now long-gone. They will identify with her wry poems of shock and disbelief in growing older. But no matter the focus, the poet "pares close to the bone," exploring, yet never shrinking from, the truth. The reward, as revealed in the title poem, is a "bending to beauty" that makes one stronger. Poem after poem, **Bending to Beauty** probes the complicated, painful, and wondrous that is life - and holds it up for all to recognize.

THE LITTLE POETRY BOOK OF SAVANNAH

Don Newman's first volume of Savannah centric poetry reflects the close personal relationship between poet and subject often found in work dedicated to a particular place. Such intimate subjectivity may seem lofty at times. But this Savannah native has a way of bringing grandiose notions of his hometown down to earth. Here, the author's regional sensibilities-together with his stretch toward the universal-offer the reader a unique perspective and a tour of Savannah unattainable during a typical day of sightseeing. While by no means a comprehensive poetic look at the city, Newman's Little Poetry Book of Savannah will surely augment the traveler's backpack, give visitors a distinctive literary keepsake, and make the perfect gift for those back home who would like an authentic little piece of Savannah. Meditative, descriptive, fun, quirky, and enjoyably honest, Newman bares parts of his soul in this down-to-earth, head-in-the-clouds "poetry for everyone." FLICKER

"Flicker is a memoir in verse of a life well lived. Lynn Hansen rightly names the collection for her favorite bird, and for the flickers, or moments, of happenings caught in words, illustrating phases and interests of a lifetime. She carries us through childhood's joys of "forest humus, thick moss / and a bouquet of wild orchids" and woes, "the word move was profane because it frees the rat of anxiety that gnaws on the tight knot in my gut." She rejoices when she declares, "When I retire I'm going to write poetry." Then for a decade or more, that's precisely what she has done. Lynn was determined to be a scientist in a time it was regarded as impossible for women; her thirty-three-year career of teaching biological sciences at the college level has proven her right. Her keen naturalist's eye, her awareness and love of all life on this planet, and beyond, show in her poems. She even celebrates the lowly zucchini and rutabaga, though she does sigh toward the end of summer, "Zucchini manna again?" These observations are woven into the sum of time, the

treasure of relationships, "just as our lives gathered out of jumble, then cemented with a matrix of mutual respect." Lynn's lone robin "lifts his bugle beak to call up morning," and so lifts us all." -Patricia Wellingham-Jones, Los Molinos, California "This collection by Lynn M. Hansen is an excellent read. While each poem is intensely personal, moving from childhood experiences to motherhood to traveling the world to growing older, Hansen generously takes us along on all her journeys, creating poems that welcome all comers. Her close observations of the natural world, of lands both distant and close to home, create a landscape at once scientifically clear and poetically imagined, and her poems about growing up and getting older and the joys and losses that come with those parts of our lives, will make readers laugh and cry, sometimes all at once. In reading this book, I grew to even more deeply appreciate our world, our Great Central Valley, and Lynn Hansen's poetry, and I suspect the same will be true for all who read this celebratory work." -Gillian Wegener, Poet Laureate of Modesto, California. "Lynn Hansen's gorgeous book of poems is a testament to a writer who loves life and fully embraces living every day. It's rare that a trained scientist will turn to poetry to reflect on the natural world and even rarer that those written poems would be this wonderfully lucid, evocative, and heartfelt. Filled with keen-eyed wonder and amusement, these poems will teach readers about life and how to live." -Sam Pierstorff, Editor, Quercus Review Press

LETTER TO MY UNBORN

POETRY BOOK

Createspace Independent Publishing Platform Legacy poems This book represents a legacy in poems - moral, ethical and practical education in verses. In Robin Wyatt Dunn's words: Osuoha's language reads like a stilted nursery rhyme, doubly insisting both on the rights of the white settler to determine the destiny of her community (the book is dedicated to

God and is scattered throughout with various Christian homilies), yet its deeper intention is profoundly anti-colonial, and a sharp critic of the state: Osuoha observes: The world violates covenants And desecrates every altar Yet they all are communicants And none is a defaulter Here, everything is fake And anyhow, they fail brake Drop not your guard. These poems are a mix of compassion and angst, a homely mother reciting her rhymes who is concealing her deep mistrust and rage at the history which has raped her language and culture, insisted on its rights to do so, and continues to oppress her country and environment. But, as she observes, it is not ultimately the white settler who is to blame, but the world: we are all implicated in this suffering and desecration. Each poem in beautiful rhyme representing a letter addressed to her unborn child and safely placed in a file from a caring and protective mother is a skillfully crafted piece of work by the Nigerian poet Ngozi Olivia Osuoha. The poems act as codes of conduct for childhood, adolescence and adulthood and can be collectively taken as a guide for facing the ups and downs of life. Original, captivating, heart touching and soul stirring Letter to My Unborn will certainly leave imprints of permanent ink in the readers' mind long after it has been read. This is truly a poetry collection of all-time, a shining star on each book lover's shelf. - Vatsala Radhakeesoon author of Depth of the River

SAY NOT WHAT IF

Createspace Independent Pub "Say Not What If" is a nearly 10,000 word story written as a long rhyming poem. It is about a man on death row, and has as its theme the concept that time is our most valuable commodity. As someone once said, "waste anything but time, because we really are promised no tomorrows." This theme is explored through the life of a man who sacrifices his marriage and everything else for his career. He realizes much too late the terrible consequences of this decision, and then desperately tries to regain those lost years by making a much worse choice. The resolution of this latter choice involves an additional examination of the concepts of accountability and responsibility, redemption, and the morality of the death penalty. The story has a better than average rating of 4/5 stars on Goodreads and Amazon. There are currently fifty-six ratings and forty-one written reviews on Goodreads at <http://www.goodreads.com/book/show/12788920-say-not-what-if>. Another thirteen ratings and reviews are on Amazon. Reviewers have described the story as "exceptional," "amazing," "incredibly special," "borderline genius," "a lyrical masterpiece," "gripping and compelling," "thought provoking," and a "beautifully written piece of literature." Many enjoyed the story so much that they intend to share it with their family and friends. I have never seen a story written in this format. It has characters and dialogue just like a regular story, and is extremely easy to read and understand, regardless of whether you have a GED or a PHD. You should therefore not be concerned that the format makes the story hard to understand. Many reviewers had the same initial concern, but then pleasantly discovered that the story is very easy to follow. But you can further allay any such fears by reading the first few pages of the story on my website, www.ascensionenterprise.com. This story will tear at your soul. As many of the reviewers said, it only requires an hour or so to read, but will keep you thinking about its message long after you are finished. Time is quintessentially important and valuable. Who knows how much time anyone has? Would you trade ten or even five years of your life for a million dollars? The story can be purchased from many booksellers, including Amazon and Barnes & Noble. It can also be purchased for only 0.99 as an ebook for Kindle. Best wishes and good luck in all your reading endeavors.

ONCE UPON A TIME

Createspace Independent Publishing Platform Collection of short stories and poems from the hopes , dreams and world view of a 8 yr old girl.

A VOLUME OF POETRY - NUMBER 79

THE COLLECTION CONTINUES

Createspace Independent Publishing Platform This significant new book of poetry covers a wide area of life's challenges, victories and joys. It does not fail to recognize God in all His Glory. Grandpa Moses Baird, the author, spares no punches in describing events and situations that are sometimes painful to discuss. He does so without embarrassment, as he calls upon his own experiences in a full life of tremendous variety. He credits his wife, Honey, for her interest and encouragement toward his work. He deeply appreciates this support; as it has taken many hours of his time, lost in the composition of "Volume of Poetry -Number 79." As one indulges in the subjects the author has chosen to commit to his rhyme and verse, one can be transported to another time. A time when one likely encountered similar experiences to those that unfold in his poetry. While the volume may not contain poems that will be learned and recited precisely, they will leave a lasting impression on the minds and character of many. Grandpa Moses invites you to travel with him through this patchwork of living..... really living!

CHANGING THE LINES

Developed as a response to Modernist art and literature, this collection of poetry and art challenges the way we appreciate artistic genre. Instead of creating art inspired by poetry or the poetry inspired by art, this work melds that two into a cohesive work, with neither being the progenitor of the other. It examines the history of blackness and looks at that history through a modern lens, changing how we see our heroes, how we see ourselves and how we see society. It questions how we communicate and how we amuse ourselves. It redraws our innate sense of beauty. It examines gender roles and abuse. Created by a mother and daughter team, this book of poetry provides image to imagery. With Katerina Canyon's poems and Aja Canyon's illustrations, this work is a conversation between them as they examine what it means to operate within the world as black women.

INTELLECTUAL EROTICISM

Createspace Independent Publishing Platform Intellectual Eroticism is a series of poems aimed at the sapiosexual mind. To take many different intellectual approaches, hoping to press the mental buttons that control the stimulation of said mind. No two are the same, so of course there is "nerdplay" (Power Cosmic), for the scientific and rational mind. Wordplay, (Mental Spillage), that paints vivid pictures for those with a passionate fantasy mindset. As well as tones of animalistic aggression and or comedic timing (She Wants Me) that may also create mental friction or heat. The "Intellectual Series" of books will explore the mind erotically, romantically and even politically as future books join the series. Hoping to not only spark thought, but positive conversation. The first book in the series "Intellectual Eroticism" looks to evoke mental stimulation and conversation that leads to the kind of physical confrontation that you can appreciate again, and again... And again...

DAYDREAMS AND NIGHT VISIONS

A BOOK OF PROPHETIC POEMS AND PARABLES

Createspace Independent Publishing Platform Through poetry and story, Daydreams and Night Visions moves us through Charles Henley's transformational journey from a boy hopelessly addicted to drugs, alcohol, and the strife that accompanies addiction, to a man full of hope, love, and joy. In this book of rhymes and wisdom, we get a glimpse of an emotional state of mind we might not otherwise understand. We get a first-hand view of the conversion from and remorse for a life of sin to the daydreams and night visions that Henley experienced during and after his conversion. These visions made him acutely aware of the struggle between good and evil as demonic forces battled for the possession of his soul.

This awareness helped him not only prepare for the battle but claim victory over it. This poetic look at a life of a sinner once saved is a look at faith and hope at the end of the road of despair. It's not only written for those who suffer from similar addictions, it's also written to give hope and advice to friends and relatives who feel helpless as they watch their loved ones losing the battle for their souls—if only for a season.

JOHNNY CASH

THE LIFE AND LEGACY OF THE MAN IN BLACK

Smithsonian Institution An illustrated biography of Johnny Cash that tells his life story through never-before-seen personal photographs and memorabilia from the Cash family. **Johnny Cash: The Life and Legacy of the Man in Black** is a Cash biography like no other. It reveals Cash's personal and professional life through largely unpublished material from the Cash family, including his handwritten notes and set lists; personal photographs of Cash with his family, traveling, and performing onstage; and beloved objects from his home and private recording studio. Alan Light, one of America's leading music journalists, traces Cash's story from his origins in rural Arkansas to his early recordings with Sun Records; from his battles with drug dependency and divorce to his romance with June Carter; and from his commercial musical successes, including *At Folsom Prison* and *American Recordings*, to his death and legacy. The book also includes vignettes on four sustaining themes of Cash's life: his musical influences, his social justice advocacy, his relationship with June, and his religious beliefs. Rich and revealing, **Johnny Cash: The Life and Legacy of the Man in Black** is ideal for all those who want to learn more about the personal side of the beloved performer.

JOHNNY CASH

FIGHTING FOR THE UNDERDOG

Enslow Publishing, LLC This bio will be a favorite among your readers. From the beginning of his career, country music legend Johnny Cash, "The Man in Black," was seen as a rebel, a perception solidified when he took the stage for his famous concert at Folsom State Prison in 1968. Born in Arkansas during the Great Depression, as a child Cash endured poverty, the death of his older brother, and a difficult relationship with his father. He turned to gospel and country music to express his pain, and eventually his songs of hardship and hope reached the ears of those waiting for an artist who represented them, ordinary people fighting to survive, just as he fought to survive his own lifelong battle with addiction. Over the decades, his career soared and floundered, and then, very late in life, soared again, as he found a whole new audience of young people who responded to the hard, gritty truths he poured into every song: a true rebel with a cause.

BROKEN GROUND

POETRY AND THE DEMON OF HISTORY

Columbia University Press In **Broken Ground**, William Logan explores the works of canonical and contemporary poets, rediscovering the lushness of imagination and depth of feeling that distinguish poetry as a literary art. The book includes long essays on Emily Dickinson's envelopes, Ezra Pound's wrestling with Chinese, Robert Frost's letters, Philip Larkin's train station, and Mrs. Custer's volume of Tennyson, each teasing out the depths beneath the surface of the page. **Broken Ground** also presents the latest run of Logan's infamous poetry chronicles and reviews, which for twenty-five years have bedeviled American verse. Logan believes that poetry criticism must be both adventurous and forthright—and that no reader should settle for being told that every poet is a genius. Among the poets under review by the "preeminent poet-critic of his generation" and "most hated man in American poetry" are Anne Carson, Jorie Graham, Paul Muldoon, John Ashbery, Geoffrey Hill, Louise Glück, John Berryman, Marianne Moore, Frederick Seidel, Les Murray, Yusef Komunyakaa, Sharon Olds, Johnny Cash, James Franco, and the former archbishop of Canterbury. Logan's criticism stands on the broken ground of poetry, soaked in history and soiled by it. These essays and reviews work in the deep undercurrents of our poetry, judging the weak and the strong but finding in weakness and strength what endures.

CAN POETRY SAVE THE EARTH?

A FIELD GUIDE TO NATURE POEMS

Yale University Press In forty brief and lucid chapters, Felstiner presents those voices that have most strongly spoken to and for the natural world. Poets- from the Romantics through Whitman and Dickinson to Elizabeth Bishop and Gary Snyder- have helped us envision such details as ocean winds eroding and rebuilding dunes in the same breath, wild deer freezing in our presence, and a person carving initials on a still-living stranded whale.
