Detailed maps and helpful timelines of major developments in world history Galloping to Freedom Saving the Adobe Town Appaloosas *Big People Books* Join award-winning author and photographer Carol Walker as she tells the story, in words and photographs, of the wild horses of Adobe Town herd of Wyoming, and the dramatic fight to protect these magnificent and endangered animals. Protective. Dignified. Elegant and affectionate. Certainly beautiful. Above all else, loyal. These are the horses of Wyoming's famed Adobe Town herd, their stunning images caught in the wild by award-winning photographer Carol Walker. Especially remarkable are the snowcapped stallion that Walker thinks of as Bronze Warrior and his band of Appaloosa-marked mares and offspring. But their freedom was to be curtailed. In the fall of 2014, the Adobe Town horses were rounded up, their bands divided. Bronze Warrior and his sons were shipped to Colorado, their mares to a holding facility in Wyoming, and their young sent to Carson City, Nevada. Moved by the horse's strong family bonds in the wild, Walker joined with other advocates to intercede. This is the story, captured in Walker's signature dramatic images, of searching out, gathering together, and ultimately reuniting Bronze Warrior's extended family at the Black Hills Wild Horse Sanctuary. Galloping to Freedom will engage your heart and forever change your view of America's wild horses.

The Essential Hoof Book The Complete Modern Guide to Horse Feet - Anatomy, Care and Health, Disease Diagnosis and Treatment *Trafalgar Square Books* The equine hoof is a complex marvel of natural engineering, built to withstand tremendous forces and able to adapt to an astonishing range of environmental conditions. It also changes daily-for better or for worse-in response to external and internal factors. Few horse owners have the opportunity to acquire a deep understanding of the hoof, which limits their ability to advocate on their horses' behalf and make informed decisions about hoof care and management. This book is the first resource of its kind to combine the most current and useful information available, gleaned from the research and wisdom of top hoof experts around the world, with a unique "hands-on" approach. The authors provide basic terms and anatomy, clearly illustrate the differences between healthy and unhealthy feet, discuss biomechanics and management concerns, and cover the causes, treatments, and prevention of commonly encountered problems, including laminitis, white line disease, and thrush. Along the way, readers are given activities to help them better analyze and understand the most important aspects of equine hoof health, such as hoof balance, depth of sole, and point of breakover. Easy-to-follow language, over 400 full-color photographs, and do-it-yourself exercises promise to empower horse owners and caretakers of all experience levels with the tools they need to accurately assess hoof health and keep their horses as sound and happy as possible.

Buffy the Vampire Slayer 20 Years of Slaying The Watcher's Guide Authorized *Simon and Schuster* A special hardcover collector's edition of the authorized Buffy the Vampire Slayer Watcher's Guides, now with updated content from the cast and crew! As long as there

have been vampires, there has been the Slayer. One girl in all the world to find them where they gather and to stop the spread of their evil and the swell of their numbers. From the first vampire staking to the last glimpse of Sunnydale, *Buffy the Vampire Slayer* was a genre-busting hit, attracting millions of fans worldwide. Even now, two decades later, *Buffy the Vampire Slayer* still plays a role in shaping an entire generation of media. Just in time for the show's twentieth anniversary, the *Buffy the Vampire Slayer* *Watcher's Guides* have been compiled into one hardcover collector's edition for the first time! Inside, you'll find all the best content from Volumes 1-3 of the original *Watcher's Guides*, as well as exclusive new content, including never-before-seen interviews with the cast and crew.

The World Book Encyclopedia An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students. **The Lakota Way Stories and Lessons for Living** *Penguin* Joseph M. Marshall's thoughtful, illuminating account of how the spiritual beliefs of the Lakota people can help us all lead more meaningful, ethical lives. Rich with storytelling, history, and folklore, *The Lakota Way* expresses the heart of Native American philosophy and reveals the path to a fulfilling and meaningful life. Joseph Marshall is a member of the Sicunga Lakota Sioux and has dedicated his entire life to the wisdom he learned from his elders. Here he focuses on the twelve core qualities that are crucial to the Lakota way of life--bravery, fortitude, generosity, wisdom, respect, honor, perseverance, love, humility, sacrifice, truth, and compassion. Whether teaching a lesson on respect imparted by the mythical Deer Woman or the humility embodied by the legendary Lakota leader Crazy Horse, *The Lakota Way* offers a fresh outlook on spirituality and ethical living. **Seeing Like a State How Certain Schemes to Improve the Human Condition Have Failed** *Yale University Press* "One of the most profound and illuminating studies of this century to have been published in recent decades."—John Gray, *New York Times Book Review* Hailed as "a magisterial critique of top-down social planning" by the *New York Times*, this essential work analyzes disasters from Russia to Tanzania to uncover why states so often fail—sometimes catastrophically—in grand efforts to engineer their society or their environment, and uncovers the conditions common to all such planning disasters. "Beautifully written, this book calls into sharp relief the nature of the world we now inhabit."—*New Yorker* "A tour de force."—Charles Tilly, *Columbia University* **In the Footsteps of Crazy Horse** *Abrams* Jimmy McClean is a Lakota boy—though you wouldn't guess it by his name: his father is part white and part Lakota, and his mother is Lakota. When he embarks on a journey with his grandfather, Nyles High Eagle, he learns more and more about his Lakota heritage—in particular, the story of Crazy Horse, one of the most important figures in Lakota and American history. Drawing references and inspiration from the oral stories of the Lakota tradition, celebrated author Joseph Marshall III juxtaposes the contemporary story of Jimmy with an insider's perspective on the life of Tasunke Witko, better known as Crazy Horse (c. 1840-1877). The book

follows the heroic deeds of the Lakota leader who took up arms against the US federal government to fight against encroachments on the territories and way of life of the Lakota people, including leading a war party to victory at the Battle of the Little Bighorn. Along with Sitting Bull, Crazy Horse was the last of the Lakota to surrender his people to the US army. Through his grandfather's tales about the famous warrior, Jimmy learns more about his Lakota heritage and, ultimately, himself. American Indian Youth Literature Award Things I'm Seeing Without You *Penguin* Equal parts heartbreaking, funny, and life-affirming, this is a story about love after the most profound loss, for fans of Jesse Andrews, Rainbow Rowell, and Jennifer Niven. "Required reading." --John Corey Whaley, winner of the Printz Award Seventeen-year-old Tess Fowler has dropped out of high school, tossed her laptop in a freezing lake, then jumped in after it fully clothed. Why? Because Jonah was the boy she knew only through texts and emails but understood to his very core. Jonah was the only boy she'd told she loved and the only boy to say it back. And Jonah was the boy whose suicide she never saw coming. Jonah's death has sent Tess pinwheeling into grief and confusion. But even though he's gone, Tess still writes to him. She wants answers to the yawning chasm of questions that's become her life. At the same time, she's trying to find solace in her father's alternative funeral business. Who knew that arranging last rites for prized pets could be so life-affirming? But love, loss, and life are so much more complicated than Tess ever thought . . . especially after she receives a message that turns her already inside-out world totally upside down. As funny as it is heartbreaking and completely unputdownable, Things I'm Seeing Without You shows us what it means to love someone, to lose someone, to wade through the beautiful/strange agony of the aftermath, and somehow love again. "Sometimes hilarious, always affecting." --VOYA "Nails the messiness of grief." --SLJ "Compelling . . . a draw for fans of Nicola Yoon." --BCCB The Horses Know *Horses Know Trilogy* A novel for horse lovers who know that there is more to horses than meets the eye. Equine Ophthalmology *John Wiley & Sons* Now available in a fully updated third edition, Equine Ophthalmology is the most comprehensive and current clinical resource for the diagnosis and treatment of ophthalmic disease in horses. Provides complete, authoritative information on the diagnosis and treatment of ophthalmic disease in horses Fully updated with improved figures, the latest research, and new chapters on advanced diagnostics, foal ophthalmology, neuro-ophthalmology, national and international regulations, and an expanded chapter on inherited ocular disease Features contributions from an international group of equine experts, under the editorship of a leading equine veterinary specialist Offers comprehensive coverage of clinical and reference information ideal for specialists, general equine practitioners, and veterinary students alike Includes access to a companion website with expanded content and figures Darth Vader and Family Coloring Book *Chronicle Books* Jeffrey Brown's reimagining of the Star Wars universe has delighted adult fans and young Jedi alike. This new adult

coloring book is equally fun to share, featuring a careful translation of artwork from the bestselling Darth Vader and Son™ series to a large-format collection on crisp white paper, plus nine new images to color. **Calm the F*ck Down How to Control What You Can and Accept What You Can't So You Can Stop Freaking Out and Get On With Your Life** *Voracious* Tame anxiety and take back control of your life with this no-f*cks-given guide from the bestselling author of *The Life-Changing Magic of Not Giving a F*ck* and *Get Your Sh*t Together*. Do you spend more time worrying about problems than solving them? Do you let unexpected difficulties ruin your day and do "what ifs" keep you up at night? Sounds like you need to **Calm the F*ck Down**. Just because things are falling apart doesn't mean YOU can't pull it together. Whether you're stressed about sh*t that hasn't happened yet or freaked out about sh*t that already has, the **NoWorries** method from "anti-guru" Sarah Knight helps you curb the anxiety and overthinking that's making everything worse. **Calm the F*ck Down** explains: **The Four Faces of Freaking Out—and their Flipsides How to accept what you can't control Productive Helpful Effective Worrying (PHEW) The Three Principles of Dealing With It** And much more! Find even more calm with the **Calm the F*ck Down Journal**. **Flight Risk A Novel** *Roaring Brook Press* Jennifer Fenn's debut novel inspired by true events, about a teenage boy who has stolen—and crashed—not one, but three airplanes. And each time he's walked away unscathed. Who is Robert Jackson Kelly? Is he a juvenile delinquent? A criminal mastermind? A folk hero? One thing is clear: Robert always defies what people think of him. And now, the kid who failed at school, relationships, and almost everything in life, is determined to successfully steal and land a plane. Told as an investigation into Robert's psyche, the narrative includes multiple points of view as well as documentary elements like emails, official records, and interviews with people who knew Robert. Ultimately, **Flight Risk** is a thrilling story about one teenager who is determined to find a moment of transcendence after everyone else has written him off as lost. **The Noble Horse Facts and Breed Information on Our Equine Friends** *Chartwell Books* There are over 300 different breeds of horse in the world today and they are used for a variety of specific needs. Herd animals by nature, horses work spectacularly well in large groups and communicate through body language with humans as well as one another. Large and regal, the horse is a striking display of strength and a supple example of beauty. These two properties are derived from the strong fight-or-flight instinct etched in horses' DNA. The combination can only be called noble. For centuries, society could not have functioned without the horse. Not only were they used for transportation, but they were also working animals, used on farms for agriculture, in mines for resources, and on the battlefield for war. This diversity of needs led to the development of many types of horses throughout the world. Difference in climate and geography also played their part in forming of the breeds. Later, the popularity of equestrian sports honed many of our modern breeds into quite different creatures from their older counterparts.

Look further into this fascinating book to discover all that is interesting about horses, including breeds, poetry, quotes, and other bits of trivia about our equine friends. *Treat! Black Dog & Leventhal Who's a good dog?* In the tradition of bestselling photography books like *Underwater Dogs* and *Shake* comes an adorable and hilarious collection of dog photographs capturing our best friends at one of their favorite moments--treat time. Photographer Christian Vieler caught these eager dogs anticipating, catching--some more successfully than others--and enjoying a scrumptious tidbit. From a tenacious terrier to a goofy golden retriever, these often hilarious and surprisingly beautiful photographs capture each dog's unique personality in a way any dog owner will recognize and that all dog lovers will enjoy! *One With the Herd Publishingworks* The author describes her story of moving to a remote area of British Columbia with her husband, an area they share with a family of horses. *The Man in the High Castle Houghton Mifflin Harcourt* In a classic work of alternate history, the United States is divided up and ruled by the Axis powers after the defeat of the Allies during World War II. Reissue. Winner of the Hugo Award for Best Novel. *The Leftovers A Novel St. Martin's Press* A New York Times Notable Book for 2011 A Washington Post Notable Fiction Book for 2011 A USA Today 10 Books We Loved Reading in 2011 Title One of NPR's 10 Best Novels of 2011 What if—whoosh, right now, with no explanation—a number of us simply vanished? Would some of us collapse? Would others of us go on, one foot in front of the other, as we did before the world turned upside down? That's what the bewildered citizens of Mapleton, who lost many of their neighbors, friends and lovers in the event known as the Sudden Departure, have to figure out. Because nothing has been the same since it happened—not marriages, not friendships, not even the relationships between parents and children. Kevin Garvey, Mapleton's new mayor, wants to speed up the healing process, to bring a sense of renewed hope and purpose to his traumatized community. Kevin's own family has fallen apart in the wake of the disaster: his wife, Laurie, has left to join the Guilty Remnant, a homegrown cult whose members take a vow of silence; his son, Tom, is gone, too, dropping out of college to follow a sketchy prophet named Holy Wayne. Only Kevin's teenaged daughter, Jill, remains, and she's definitely not the sweet "A" student she used to be. Kevin wants to help her, but he's distracted by his growing relationship with Nora Durst, a woman who lost her entire family on October 14th and is still reeling from the tragedy, even as she struggles to move beyond it and make a new start. With heart, intelligence and a rare ability to illuminate the struggles inherent in ordinary lives, Tom Perrotta's *The Leftovers* is a startling, thought-provoking novel about love, connection and loss. *Alpaca Coat for Ruby* Our alpaca children's book 'Alpaca Coat for Ruby' was based on a true story as most of the illustrations were inspired from actual photographs of Ruby's first year of life. Have fun reading about a baby alpaca, Ruby, and how she discovers her real coat. Out of the hundreds of alpacas on the farm, none of the alpacas could compare to Ruby. She stood out on the

alpaca farm, as she was quite the character with her abundance of energy and curiosity. Everybody loves Ruby! Her antics started early in life so enjoy Ruby in her first book! Daily / Weekly / Monthly Planner Abstracts of Papers Third Chemical Congress of North America, Toronto, Canada, June 5-10, 1988
