Barney's home has been destroyed by bombing, and he and his mother are traveling to the countryside when German planes attack. Their train is forced to take shelter in a tunnel and there, in the darkness, a stranger— a fellow passenger—begins to tell them a story about two young soldiers who came face to face in the previous war. One British, one German. Both lived, but the British soldier was haunted by the encounter once he realized who the German was: the young Adolf Hitler. The British soldier made a moral decision. Was it the right one? Readers can ponder that difficult question for themselves with Michael Morpurgo's latest middle-grade novel An Eagle in the Snow.*

Aman and his mother escape--without Shadow. Aman is heart-broken. Named 1 of The 5 Essential Kennedy assassination books ever written by The Daily Beast. Named one of the Top Nonfiction Books of 2013 by Kirkus Reviews. In the months and weeks before the fateful November 22nd, 1963, Dallas was brewing with political passions, a city crammed with larger-than-life characters dead-set against the Kennedy presidency. These included rabid warriors like defrocked military general Edwin A. Walker; the world's richest oil baron, H. L. Hunt; the leader of the largest Baptist congregation in the world, W.A. Criswell; and the media mogul Ted Dealey, who raucously confronted JFK and whose family name adorns the plaza where the president was murdered. On the same stage was a compelling cast of marauding gangsters, swashbuckling politicians, unsung civil rights heroes, and a stylish millionaire anxious to save his doomed city. Bill Minutaglio and Steven L. Davis ingeniously explore the swirling forces that led many people to warn President Kennedy to avoid Dallas on his fateful trip to Texas. Breathtakingly paced, DALLAS 1963 presents a clear, cinematic, and revelatory look at the shocking tragedy that transformed America. Countless authors have attempted to explain the assassination, but no one has ever bothered to explain Dallas-until now. With spellbinding storytelling, Minutaglio and Davis lead us through intimate glimpses of the Kennedy family and the machinations of the Kennedy White House, to the obsessed men in Dallas who concocted the climate of hatred that led many to blame the city for the president's death. Here at long last is an accurate understanding of what happened in the weeks and months leading to John F. Kennedy's assassination. DALLAS 1963 is not only a fresh look at a momentous national tragedy but a sobering reminder of how radical, polarizing ideologies can poison a city-and a nation. **The Fox and the Ghost King HarperCollins UK** A delightful tale of victory against all odds from master storyteller, Michael Morpurgo, lavishly illustrated by Michael Foreman. **When Hitler Stole Pink Rabbit HarperCollins UK** The story of a nine-year-old Jewish girl and

In *Berlin at War*, acclaimed historian Roger Moorhouse provides a magnificent and detailed portrait of everyday life at the epicenter of the Third Reich. Berlin was the stage upon which the rise and fall of the Third Reich was most visibly played out. It was the backdrop for the most lavish Nazi ceremonies, the site of Albert Speer's grandiose plans for a new "world metropolis," and the scene of the final climactic battle to defeat Nazism. Berlin was the place where Hitler's empire ultimately meet its end, but it suffered mightily through the war as well; not only was the city subjected to the full wrath of the Soviet ground offensive and siege in 1945, but it also found itself a prime target for the air war, attracting more raids, more aircraft, and more tonnage than any other

Towards the end Misch was drawn into the Fhrerbunker with the last of the 'faithful'. As defeat approached, he remained in charge of the bunker switchboard as his duty required, even after Hitler committed suicide. Misch knew Hitler as the private man and his position was one of unconditional loyalty. His memoirs offer an intimate view of life in close attendance to Hitler and of the endless hours deep inside the bunker; and provide new insights into military events such as Hitler's initial feelings that the 6th Army should pull out of Stalingrad. Mitt Brennender Sorge on the Church and the German Reich Createspace Independent Publishing Platform *Excerpt: When, in 1933, We consented, Venerable Brethren, to open negotiations for a concordat, which the Reich Government proposed on the basis of a scheme of several years' standing; and when, to your unanimous satisfaction, We concluded the negotiations by a solemn treaty, We were prompted by the desire, as it behooved Us, to secure for Germany the freedom of the Church's beneficent mission and the salvation of the souls in her care, as well as by the sincere wish to render the German people a service essential for its peaceful development and prosperity. Hence, despite many and grave misgivings, We then decided not to withhold Our consent for We wished to spare the Faithful of Germany, as far as it was humanly possible, the trials and difficulties they would have had to face, given the circumstances, had the negotiations fallen through. It was by acts that We wished to make it plain, Christ's interests being Our sole object, that the pacific and maternal hand of the Church would be extended to anyone who did not actually refuse it. 4. If, then, the tree of peace, which we planted on German soil with the purest intention, has not brought forth the fruit, which in the interest of your people, We had fondly hoped, no one in the world who has eyes to see and ears to hear will be able to lay the blame on the Church and on her Head. The experiences of these last years have fixed responsibilities and laid bare intrigues, which from the outset only aimed at a war of extermination. In the furrows, where We tried to sow the seed of a sincere peace, other men - the "enemy" of Holy Scripture - oversowed the cockle of distrust, unrest, hatred, defamation, of a determined hostility overt or veiled, fed from many sources and wielding many tools, against Christ and His Church. They, and they alone with their accomplices, silent or vociferous, are today responsible, should the storm of religious war, instead of the rainbow of peace, blacken the German skies. 5. We have never ceased, Venerable Brethren, to represent to the responsible rulers of your country's destiny, the consequences which would inevitably follow the protection and even the favor, extended to such a policy. We have done everything in Our power to defend the sacred pledge of the given word of honor against theories and practices, which it officially endorsed, would wreck every faith in treaties and make every signature worthless. Should the day ever come to place before the world the account of Our efforts, every honest mind will see on which side are to be found the promoters of peace, and on which side its disturbers. Whoever had left in his soul an atom of love for truth, and in his heart a shadow of a sense of justice, must admit that, in the course of these anxious and trying years following upon the conclusion of the concordat, every one of Our words, every one of Our acts, has been inspired by the binding law of treaties. At the same time, anyone must acknowledge, not without surprise and reprobation, how the other contracting party emasculated the terms of the treaty, distorted their meaning, and eventually considered its more or less official violation as a normal policy.*
