MODERN ITALY'S FOUNDING FATHERS

THE MAKING OF A POSTWAR REPUBLIC

Bloomsbury Publishing Modern Italy's Founding Fathers offers a fresh perspective on the genesis of the Italian republic as viewed through the efforts of its three most influential leaders: Christian Democrat Alcide De Gasperi, Socialist Pietro Nenni and Communist Palmiro Togliatti. In concise, accessible prose, this work demonstrates how De Gasperi – the Republic's inaugural prime minister from 1945 to 1953 – and his fellow statesmen's shared experience of Fascist oppression, belief in popular sovereignty, and ability to compromise despite deep ideological differences, enabled the creation of Italy's post-war republic. This path-breaking collective biography traces the genesis of the Italian republic, commencing with the overthrow of Mussolini in 1943 and concluding with the death of De Gasperi in 1954. Drawing on the speeches, writings and personal papers of the three protagonists, on Italian and U.S. archives, on contemporary memoirs and on secondary scholarship, Steven F. White demonstrates how these leaders forged political practices and customs which continue to define Italian parliamentary life to the present day. Examining the interplay of personalities, leadership styles, ideas and political context, this study is a vital text for any student of modern Italy and, more broadly, of Cold War Europe.

TWENTIETH CENTURY ITALY

A SOCIAL HISTORY

Routledge Following a historically chronological approach, and with a clear focus on the marked regional diversity characterising Italy, this volume analyses the impact of social, economic, cultural and political transformation on the lives of Italians. It assesses their living standards, their health and education, their working conditions and their leisure activities. The final part of the book examines contemporary Italian society in the light of the political and moral crisis of the early 1990s.

ITALY TODAY

THE SICK MAN OF EUROPE

Routledge Italy Today represents one of the most comprehensive examinations of contemporary Italy. It is a provocative and an innovative collection that aims to highlight the current 'crisis' of the country through an analysis of several different 'dark shadows' of contemporary Italian society. Italy already had a long history of 'unsolved' issues, several chronic problems and contradictions that have been ignored for a very long time, during which they have assumed dramatic proportions and gravity. The peninsula has now become the 'Sick Man of Europe', a country facing a veritable decline also caused by apparent incapacity and difficulties of the ruling economic, political and social elites. Discussions include: an evaluation of the current predicaments of the political system analysis of emerging mafias, including new powerful crime organizations such as 'Ndrangheta issues surrounding the ongoing presence of Fascism examination of the recent xenophobic tensions discussion of problems associated with the missed opportunity of the EU funding, and the increasing regional economic gaps outline of the systemic troubles of Italy's economic and industrial system. Written by leading experts in the field and covering a wide range of topics, this collection is essential reading for all those seeking to understand the issues and problems that are facing contemporary Italy.

MICHELIN GREEN GUIDE ITALY

Michelin Travel & Lifestyle This eBook version of the Green Guide Italy is completely revised and expanded, featuring the best that the country has to offer. The guide explores the rich culture, heritage and history of the cities, countryside and coastal areas. Michelin's celebrated star-rating system pinpoints Italy's highlights, whether the beautiful Dolomite mountain range, the UNESCO-designated historic city centers of Rome, Florence and Naples, or the stunning coastlines of Amalfi and Portofino Promontory. Regional introductions give an overview of each area, while Michelin's walking and driving tours, up-to-date content, maps and color photos help you discover this diverse country.

ITALY SINCE 1989

EVENTS AND INTERPRETATIONS

Springer Italy Since 1989 provides the first in-depth, fully documented account in English of the extraordinary last eleven years in Italian politics. Bufacchi and Burgess take the transition to a new Italy as their point of departure, and conduct a guided tour through the massive changes that the country has recently undergone with the collapse of the party-state, attempting to explain as well as understand events along the way. The authors provide extensive coverage of the judicial uncovering of bribery and corruption, and the journey culminates in an entirely original examination of the general election of April 1996. This revised edition includes a fresh introductory chapter, bringing up to date the chronicle of events.

THE STATESMAN'S YEARBOOK 2010

THE POLITICS, CULTURES AND ECONOMIES OF THE WORLD

Springer 'the most convenient and reliable starting point for information on public

affairs' - George J. Mitchell, US Senator. Each copy comes with FREE online access to www.statesmansyearbook.com. Site license upgrades are also available for libraries who wish to network the data. New this year: a chronology of the 'credit crunch.'

THE ENIGMA OF MODERN ITALY

Austin Macauley Publishers Forget the sunshine and pasta image of Italy, and discover a world of dark forces that conspire to undermine a vulnerable democracy. Following their defeat in World War Two, the Italians set about restoring their shattered country to create the 'economic miracle' of the '60s and establish a democratic republic. Yet all is not well. The 'hot autumn' crisis of 1969 unleashes deep-rooted protests from workers and students dissatisfied with the status quo. Events are further compounded by Fascist plots pitted against left wing terrorist attacks, all conspiring to bring down a fragile state. A state destabilized by self-serving politicians, intent on feathering their own nests at the citizens' expense. If you love intrigue, conspiracy and double-dealing, this book is for you.

THE STATESMAN'S YEARBOOK 2005

THE STATESMAN'S YEARBOOK 2001

THE POLITICS, CULTURES AND ECONOMIES OF THE WORLD

Springer For the last 137 years, *The Statesman's Yearbook* has been relied upon to provide accurate and comprehensive information on the current political, economic and social status of every country in the world. The appointment of the new editor - only the seventh in 137 years - brought enhancements to the 1998-99 edition and these have been continued since then. Internet usage figures are included. Specially commissioned essays from major political and academic figures supplement country entries in areas of major upheaval and change. A fold out colour section provides a political world map and flags for the 191 countries of the world. The task of monitoring the pattern or flow of world change is never-ending. However, the annual publication of *The Statesman's Yearbook* gives all the information needed in one easily digestible single volume. It will save hours of research and cross-referencing between different sources. A prestigious and popular book, *The Statesman's Yearbook* is updated every 12 months. In a world of continual change *The Statesman's Yearbook* is a necessary annual purchase.

THE MEDIA IN ITALY

McGraw-Hill Education (UK) *The Italian media - the press, cinema, radio and television - is one of the largest and most controversial media industries in mainland Europe. In this introductory text Matthew Hibberd explores the key historical processes and events in the growth and development of Italy's main media and considers it in the context of the economic, political, socio-cultural and technological movements that have affected Italy. Featuring a timeline of key Italian events, the book begins with the Unification - or Risorgimento - of Italy in 1861, and charts the rise of Italy from a fragmented and rural-based society through to a leading industrialised and urbanised world power. It details Fascism's reliance on the exploitation of the mass media, analyses Italy's remarkable post-war recovery, the development of democratic institutions and the contribution that a pluralistic media has made to this. Finally, it examines Silvio Berlusconi's rise to high political office and questions whether the involvement of Italy's leading media mogul in politics has harmed Italy's international reputation. The Media in Italy addresses key themes that show how the Italian state and Italian media operate, such as: How governing parties and individuals have been able to assert influence over media intuitions Why there is a close relationship between political elites and media professionals The lack of consensus over key media reforms The importance of the Catholic Church in the development of the Italian media How a unique Italian media system has been shaped by issues of citizenship, democracy and nation-state The Media in Italy is key reading for students on media, journalism, politics, and modern language courses.*

THE STATESMAN'S YEARBOOK 2004

THE POLITICS, CULTURES AND ECONOMIES OF THE WORLD

Springer For one hundred and forty years, The Statesman's Yearbook has been relied upon to provide accurate and comprehensive information on the current political, economic and social status of every country in the world. The appointment of the new editor - only the seventh in the book's history - brought enhancements to the 1998-99 edition and these have been continued since then. ITALIAN WATERS PILOT

Imray, Laurie, Norie and Wilson Ltd Italian Waters Pilot is the only guide for yachtsmen in English that covers the coasts of the Tyrrhenian Sea, Sardinia, Sicily, the Ionian 'heel' and Malta in one volume. This new tenth edition builds on first-hand research by the authors through the Tuscan islands, along the Tyrrhenian and Ionian coasts, to Sardinia and Sicily, Malta and Gozo. Numerous revisions have been made throughout, with the text, plans and photographs undergoing a complete overhaul. Care has been taken to research the details of marina developments. Where it has been available information is given on proposed changes and extensions to yacht harbours. Marine reserves are now an important feature of the coasts and off-lying islands, particularly in Sardinia and Sicily, and this edition provides updated details of the latest regulations. Climate change and extreme weather events are becoming a major issue and this edition includes a section on the how climate change might affect sailing in the Mediterranean. Italian Waters Pilot is the last word on the area

for yachts cruising there and on their way between western and eastern parts of the Mediterranean.

THE FRENCH AND ITALIAN COMMUNIST PARTIES

COMRADES AND CULTURE

Routledge Beginning with a review of the numerous studies that tend to emphasize the national, societal dimension of the Italian and French communist parties, Cyrille Guiat's book is a comparative study of the two parties from the early 1960s to the early 1980s.

THE STATESMAN'S YEARBOOK 2000

Known as a 'people, events and statistics' work, this year's edition includes accounts of the latest development in trouble-spots such as Israel and Northern Ireland, and records all recent election results.

A CONCISE HISTORY OF ITALY

Cambridge University Press Comprehensively updated new edition of Christopher Duggan's acclaimed introduction to the history of Italy.

THE ITALIAN WELFARE STATE IN A EUROPEAN PERSPECTIVE

A COMPARATIVE ANALYSIS

Policy Press There is a need to understand the Italian welfare state, but as yet it has received little academic research attention. *The Italian Welfare State in a European Perspective* is the first book to explore the evolution of Italy's welfare state in the decades since the 'Trente Glorieuses' (1945–75). It offers a rare overview and analysis of the Italian situation based on an in-depth study of the main social policy fields (including education, higher education and taxation policies), a detailed analysis of the connection between policies and their outputs/outcomes and a comparative perspective framing the Italian case within the European context. This is the first English-language book to take a comparative look at the Italian welfare state as a whole since the 2008 economic crisis, it will be a valuable resource for academics and researchers, as well as students.

COMMUNISM AND ANTI-COMMUNISM IN EARLY COLD WAR ITALY

LANGUAGE, SYMBOLS AND MYTHS

Manchester University Press The struggle in projects, ideas and symbols between the strongest Communist Party in the West and an anti-communist and pro-Western government coalition was the most peculiar founding element of Italian democratic political system after World War II. *Communism and anti-Communism in early Cold War Italy* enlightens new aspects of and players of the anti-Communist 'front'. It takes into account the role of cultural associations, newspapers and the popular press in the selection and diffusion of critical judgements and images of Communism, highlighting a dimension that explains the force and the diffusion of anti-communist opinions in Italy after 1989 and the crisis of traditional parties. The author also places the case of Italian cold-war anti-communism in an international context for the first time.

THE POLITICS OF MENTAL HEALTH IN ITALY

Routledge In 1978 Italy passed a deeply radical law closing all its mental health hospitals. This was the culmination of the growth and development of a very strong anti-psychiatry movement which had sprung up in the late 1960's. Both the law, the movement, and its aftermath have been much discussed in Britain, America and other European countries because of the need to reconsider their own mental health care policies, but up to now there has been a lack of reliable literature on which to base the discussion. *The Politics of Mental Health in Italy* provides for the first time a scholarly and very balanced account of events and phenomena that have been previously presented in a more idiosyncratic and polemical fashion. Michael Donnelly introduces, documents and comments critically on the three phases of the Italian

experience: the late sixties mental health movement; the drafting and passage of the 1978 law; and the aftermath of deinstitutionalisation, which has disappointed its supporters and kept the whole topic at the centre of public debate.

THE STATESMAN'S YEAR-BOOK, 1996-7

Springer The 133rd edition of The Statesman's Year-Book is completely revised and updated. Widely respected as an authoritative and accessible reference work, The Statesman's Year-Book provides the basic building blocks of knowledge about any country in the world - constitution and government, international relations, industry, agriculture, trade and social issues. Known as a 'people, events and statistics' work, this year's edition includes accounts of the latest developments in trouble-spots such as Bosnia, Israel and Northern Ireland, and records the results of recent elections in Italy, Austria, Spain and Turkey.

ITALIAN MODERNITIES

COMPETING NARRATIVES OF NATIONHOOD

Springer This book argues that Italy represents a privileged entry point into the comparative analysis of ideologies and experiences of modernity. The book compares how thinkers and politicians belonging to different ideological clusters - Liberalism, Communism, Fascism, Christian Democracy - came to formulate multiple and often antagonistic visions of Italy's road to the modern. By revisiting Italian political history from the late nineteenth century until the present with a focus on transition periods, Italian Modernities explores how competing historical narratives influenced shifting understandings of Italian nationhood, thus foregrounding the active role of memory politics in the formulation of multiple modernities.

ITALIAN MARXISM

University of California Press This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1983.
