You Do You How to Be Who You Are and Use What You've Got to Get What You Want Voracious From the New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck and Get Your Sh*t Together comes more straight talk about how to stand up for who you are and what you really want, need, and deserve -- showing when it's okay to

be selfish, why it's pointless to be perfect, and how to be "difficult." Being yourself should be easy, yet too many of us struggle to live on other people's terms instead of our own. Rather than feeling large and in charge, we feel little and belittled. Sound familiar? Bestselling "anti-guru" Sarah Knight has three simple words for you: YOU DO YOU. It's time to start putting your happiness first -- and stop letting other people tell you what to do, how to do it, or why it can't be done. And don't panic! You can do it without losing friends and alienating people. Knight delivers her trademark no-bullsh*t advice about: The Tyranny of "Just Because" The social contract and how to amend it Turning "flaws" into strengths -- aka "mental redecorating" Why it's not your job to be nice Letting your freak flag fly How to take risks, silence the doubters, and prove the haters wrong Praise for Sarah Knight: "Genius." -- Cosmopolitan "Self-help to swear by." -- The Boston Globe "Hilarious... truly practical." -- Booklist All New Kindle Paperwhite Users Guide The Complete User Guide with Step by Step Instructions to Master Your E-Reader and Unlock Advance Tips and Tricks in Minutes Independently Published Customize your All-New Kindle Paperwhite with catalogs of hidden features; maximize the potential of your portable library and uncover more functions and features in your E-reader for your convenience and enjoyment with this accurate step by step guide. Instant Series Publication The Instant-Series Presents "Instant Genius" How to Think Like a Genius to Be One Instantly! When you hear the word "genius" - what immediately pops into your mind? Perhaps, people like Albert Einstein, Isaac Newton, Leonardo da Vinci, and Thomas Edison just to name a few. What did all these folks have? What was the common factor that made them a genius? And is possible for you to also be like them? Now what is a genius? Geniuses are, first and foremost, extraordinary individuals... They are always somewhat ahead of their time, and their contributions to the world have shaped society into what we know it as of today with all the remarkable fleets of advanced achievements unheard of in the past - just look at how far we have come with modern medicine, science, technologies, etc. And geniuses have helped mankind evolved into more intelligent beings - pushing us to all strive for even greater possibilities. So how to become a genius? The widely-accepted notion is...you're either born with a genius IQ or not; however, being a genius has less to do with your level of intelligence. Everybody has their own form of genius. The key is how to unlock that inner genius of yours. Within "Instant Genius": * How to easily create a custom "genius trigger button" step-by-step, so you can activate it to turn on your full-intellectual mental capacity at will, at anywhere, and at anytime. * How to channel your inner genius through the power of your subconscious mind, by doing the "subconscious self-session" technique to open doors to new ways of thinking. * How to use personalized "visual mental imprints" as your sources of inspirations and motivations to spark your creative genius to generate unlimited innovative ideas. * How to develop genius reflexes to handle any complex problem and come up with ingenious solution to have people look up to you, always wanting to hear what you have to say. * How to optimize your mind to work in relentless genius mode with full concentration and inexhaustible energy where obstacles no longer exist, through an in-depth "4-stages process" you can implement whenever you want. * Plus, custom practical "how-to" strategies, techniques, applications and exercises on how to think like a genius. ...and much more. All of us has the potential to be our own geniuses. You just only need to be guided on how to unleash that genius brain power within you - to finally realize what you're truly capable of. You will be amazed and even surprised yourself.
