### A Veil of Spears

**Penguin** *The third book in The Song of Shattered Sands series--an epic fantasy with a desert setting, filled with rich worldbuilding and pulse-pounding action. Since the Night of Endless Swords, a bloody battle the Kings of Sharakhai narrowly won, the kings have been hounding the rebels known as the Moonless Host. Many have been forced to flee the city, including Çeda, who discovers that the King of Sloth is raising his army to challenge the other kings' rule. When Çeda finds the remaining members of the Moonless Host, now known as the thirteenth tribe, she sees a tenuous existence. Çeda hatches a plan to return to Sharakhai and free the asirim, the kings' powerful, immortal slaves. The kings, however, have sent their greatest tactician, the King of Swords, to bring Çeda to justice for her crimes. But the once-unified front of the kings is crumbling. The surviving kings vie quietly against one another, maneuvering for control over Sharakhai. Çeda hopes to use that to her advantage, but whom to trust? Any of them might betray her. As Çeda works to lift the shackles from the asirim and save the thirteenth tribe, the kings of Sharakhai, the scheming queen of Qaimir, the ruthless blood mage, Hamzakiir, and King of Swords all prepare for a grand clash that may decide the fate of all.*

### Gates of Light

**Rowman Altamira** *This central text of Jewish mysticism was written in thirteenth-century Spain, where Kabbalah flourished. Considered to be the most articulate work on the mystical Kabbalah, Gates of Light provides a systematic and comprehensive explanation of the Names of God and their mystical applications. The Kabbalah presents a unique strategy for intimacy with the Creator and new insights into the Hebrew Scriptures. In the Kabbalah, aspects of God emanate from a hierarchy of Ten Spheres interconnected by channels that may be disrupted or repaired through human activity.*

### Studies on East Syriac Christianity in China and Central Asia

**LIT Verlag Münster** *East Syriac Christianity spread outside the Roman Empire as a result of the missions carried out by the "Church of the East", formerly known as "Nestorian Church". This volume contains the most recent cutting edge research on this very Church in China and Central Asia. World-renowned scholars from universities and institutions in China, India, Europe and North America contributed to the study of this fascinating chapter of the history of Christianity. They come from various disciplines such as Religious and Ecclesiastical History, Philology (Sinology, Syrology), Archeology, Theology, and Central Asiatic Studies.*

### The Past and Future of EU Law

### The Classics of EU Law Revisited on the 50th Anniversary of the Rome Treaty

**Bloomsbury Publishing** *This book revisits, in a new light, some of the classic cases which constitute the foundations of the EU legal order and is timed to celebrate the 50th anniversary of the Rome Treaty establishing a European Economic Community. Its broader purpose, however, is to discuss the future of the EU legal order by examining, from a variety of different perspectives, the most important judgments of the ECJ which established the foundations of the EU legal order. The tone is neither necessarily celebratory nor critical, but relies on the viewpoint of the distinguished line-up of contributors - drawn from among former and current members of the Court (the view from within), scholars from other disciplines or lawyers from other legal orders (the view from outside), and two different generations of EU legal scholars (the classics revisit the classics and a view from the future).*

Each of these groups will provide a different perspective on the same set of selected judgments. In each short essay, questions such as 'what would have EU law been without this judgment of the Court? what factors might have influenced it?; did the judgment create expectations which were not fully fulfilled?' and so on, are posed and answered. The result is a profound, wide-ranging and fresh examination of the 'founding cases' of EU law.

## The Use of Force in International Law

**Routledge** This volume of essays examines the development of political and legal thinking regarding the use of force in international relations. It provides an analysis of the rules on the use of force in the political, normative and factual contexts within which they apply and assesses their content and relevance in the light of new challenges such as terrorism, weapons of mass destruction and cyber-attacks. The volume begins with an overview of the ancient and medieval concepts of war and the use of force and then concentrates on the contemporary legal framework regulating the use of force as moulded by the United Nations Charter and state practice. In this regard it discusses specific issues such as the use of force by way of self-defence, armed reprisals, forcible reactions to terrorism, the use of force in the cyberspace, humanitarian intervention and the responsibility to protect. This collection of previously published classic research articles is of interest to scholars and students of international law and international relations as well as practitioners in international law.

## Islam Revealed

## A Christian Arab's View of Islam

**Thomas Nelson Incorporated** Thumb through any newspaper, listen to any newscast, and the terms "Islamic Al Jihad" or "Shi'ite Muslims" will inevitably be linked with bombings, hijackings, and other terrorist acts. What do you know about this religion that boasts "the greatest joy is to kill and be killed for Allah"? In *Islam Revealed*, Dr. Anis Shorrosh explains the driving force behind the fanatical, as well as the moderate and conservative sects of Islam. Drawing on his experience as a Palestinian-born Arab Christian and years of research and study, Dr. Shorrosh takes a hard look at an ever-growing religion that currently numbers 900 million members. Through comparisons of Islam's Quran and the Hebrew-Christian Bible, Dr. Shorrosh outlines the contradictions and inaccuracies that form the basis for the Muslims' beliefs, and contrasts the turbulent life of Muhammad with the life of Jesus. In light of recent terrorist activities in America and the continuing tensions in the Middle East, *Islam Revealed* is a timely reference to the belief system of one in five people on earth.

## European Security Law

**OUP Oxford** With security now dominating political agendas at the domestic, regional and international levels, the European Union's concern for security has grown apace. This book evaluates the progress of the Union in this regard in the wider contexts of international security and European integration.
