The Virgin Guide to British Universities 2012

Random House The Virgin 2012 Guide to British Universities is the only university guide to offer a uniquely students' eye view of what it's like to study at a particular university. As well as hard facts and practical information on every UK university - such as official ratings for teaching, statistics on where graduates end up and employment prospects by subject - the guide is also packed with useful information such as what the social scene is like, how much living costs are likely to be and what the student profile at a particular university is really like. With a comprehensive entry on every UK university, The Virgin Guide to British Universities contains all the information and advice potential undergraduates will need to choose the best university for them.

A Student's Guide to Education Studies

A Student's Guide

Routledge This new edition of A Student's Guide to Education Studies is an essential resource for any undergraduate making their first explorations into the fascinating world of education. It explores a wide range of alternative visions of education encouraging students to challenge the perceived notions about learning and knowledge. Offering new perspectives and powerful ideas for discussion on a variety of long-standing topics such as class, race and gender, the book is organised around five enduring themes: Policy and Politics, Global and Environmental Education, Knowledge and Learning, Childhood and Youth, Professionalism and Employment. With a distinctive international and global focus, this new edition has been extensively updated to reflect the latest research and thinking in the field and features new chapters on: The sociology of education and the philosophy of education Inclusion Childhood and youth Professionalism and work-based learning Populism in politics Including summary points, questions for discussion and annotated suggestions for further reading, this book provides the theoretical background needed to carry out a critical analysis of education policy and practice and is an essential resource for all students of Education Studies.

The Unofficial Guide to Britain's Best Days Out, Theme Parks and Attractions

John Wiley & Sons

The Times Index

Indexes the Times and its supplements.

The Times Good University Guide 2005

Collins How do you find the best university for the subject you wish to study? You need a guide that evaluates the quality of what is available, giving facts, figures and comparative assessments of universities. Since 1992, The Times has produced the most widely respected and used university league tables. The Guide takes the key measures of quality as its focus, so you can make informed choices of university and subjects. Still unique and still controversial, the rankings provide hard data, analysed, interpreted and presented by a team of experts. The 2005 edition of the best-selling Good University Guide has been further extended, now offering: Unique league table ranking to Britain's universities, which enables readers to assess strengths and weaknesses of each university. on how to select a course and a university. Details of government changes to higher education. Guidance on how to apply and pay your way through university. Advice on finding and paying for accommodation while you are there. Two pages of information on each university. Detailed coverage of Oxford and Cambridge colleges. Information specifically designed for international students

Alastair Sawday's Slow North Yorkshire

Moors, Dales & Coast, Including York : Local, Characterful Guide to Britain's Special Places

Bradt Travel Guides Travel and nature writer Mike Bagshaw has lived in Yorkshire for over 25 years and in this, his unique guide to the area, he brings to life the landscapes and wildlife of the region and indulges his interests in crafts, architecture, local history, folklore and pubs. This personal guide - a book to be read as well as used - explores the nooks and crannies of this dramatic and diverse county and takes in all the well known sights as well as regional secrets, including fossil hunting, wild food foraging and the game of quoits. Hand-picked accommodation from Alastair Sawday ensures a comfortable stay, helping to get the most out of a 'slow' visit to one of Britain's most beautiful areas.

An Evacuee's Story a North Yorkshire Family in Wartime

Lulu.com A poignantly written and graphically described story of the pleasure and pain endured as an evacuee during World War Two. Like so many of his young friends and relatives, John Wright was required to leave the love and care of his parents in Middlesbrough at a very young age to escape the attention of the Luftwaffe and to be evacuated into the hands of a crowded and unloving home in Haxby, a quaint village north of the great city of York. The book eloquently describes his voyage of childhood discovery in the beautiful countryside coupled with the cruel attentions of a foster mother whose motivation was not to lavish love and support to her unfortunate foster children, but to hurt and belittle them. It is a bittersweet story of innocent interludes and mean realities for an evacuee child set amidst the horrors and melancholy of that devastating conflict.

The Rough Guide to Britain

Rough Guides The Rough Guide to Britain is the ultimate insiders' handbook to England, Wales and Scotland. The full-colour introduction brings the countries' highlights to life, from the Eden Project in Cornwall to Edinburgh's Royal Mile. The authors provide lively accounts of every sight from the latest attractions such as the Cardiff Bay area and Gateshead's Baltic Centre to established landmarks from the Tower of London to Edinburgh Castle. For every town and region there are lively reviews of the best places to stay, eat and drink, to suit all pockets and with accompanying maps pinpointing each location. There's also practical tips on exploring the great British countryside from the rugged Pembrokeshire coastline to the picturesque valleys of the Yorkshire Dales.

St Gregory's Minster, Kirkdale, North Yorkshire: Archaeological Investigations and Historical Context

Archaeopress Publishing Ltd The result of c. 20 years of work on and around the church of St Gregory's Minster, Kirkdale, North Yorkshire, this work is concerned primarily with the 8th century onwards, but also extends the time-period of this isolated site, particularly for the post-Roman to middle Saxon period, but also as an earlier probably religious landscape.

The Rough Guide to Yorkshire

Rough Guides UK The Rough Guide to Yorkshire was the first comprehensive guidebook to England's largest county. Detailed coverage of the ruggedly beautiful Dales and Moors, the magnificent North Sea coast and historic York rubs shoulders with penetrating insights into the multi-cultural cities of Leeds and Sheffield, the resurgent port of Hull, and the many industrial conurbations, market towns and rural villages in between. Take your pick of great stately homes to visit, of cathedrals and churches and monastic ruins, of steam railways and seaside resorts, of world-class historical and industrial museums, of hotels and places where you can consume good Yorkshire food and ale. Full-colour sections cover Yorkshire's varied landscape and world-famous writers and artists. Whether you're on holiday, on business, visiting family and friends or just passing through - even if you've lived in Yorkshire all your life - The Rough Guide to Yorkshire will ensure that you don't miss a thing. Make the most of your time on EarthTM with The Rough Guide to Yorkshire.

The Electric Car Guide - Mitsubishi I-Miev the Electric Car Guide - Mitsubishi I-Miev

Greenstream Publishing What is it really like to own and use an electric car? Are they slow and dull, or are they fun and exciting to drive? What about practicality and range? This book describes both the highs and lows of electric car ownership, turns a spotlight on the environmental claims and shows how an electric car can become a convenient and easy to use option.

A Guide to PhD Success

Strategic Book Publishing A Guide to PhD Success is written in a lighthearted style to appeal to undergraduate and graduate science majors from all over the world who have a passion for higher studies, specifically in regard to earning a PhD. The author has attempted to keep young minds engaged by including useful real-life stories as well as placing emphasis on important points. It provides promising future scientists with information about each critical aspect necessary for one to succeed in a PhD program. The handbook includes useful tips that will span students' graduate careers, from the initial stage of planning as a pre-doctoral fellow through attaining the doctoral degree. This guide not only lists the predicaments that a graduate student could potentially fall victim to, but provides valuable approaches to tackle such quandaries. Born in India, first-time author Dr. Shaw M. Akula is a veterinarian with a passion for research. He is an associate professor of microbiology and immunology at East Carolina University's Brody School of Medicine in Greenville, North Carolina. His research expertise pertains to virology, cancer, and cell biology. His laboratory work includes research on AIDS-associated pathogens with a special emphasis on the latest addition to the human herpes virus, Kaposi's sarcoma-associated herpesvirus. He has served on multiple grant review panels in the U.S. and Europe. Publisher's website: <http://sbpra.com/ShawMAkula>

The New Shell Guide to Britain

Salem House Publishers

The Missing Person's Guide to Love

Pan Macmillan Isabel, Owen and Julia were childhood friends. But when they were fifteen, Julia disappeared without a trace – an event that had a devastating impact on the others. Years later, Isabel returns to her home town in the north of England for Owen's funeral. She hadn't seen him since they recklessly burned down the local supermarket together; he was sent to prison and she, just shy of her 18th birthday, to a young offenders' centre. Isabel suspects that Owen was responsible for Julia's murder, and she's hoping finally to find some kind of resolution. Feeling cut off from her husband and child in Turkey, and awash with unexpected memories, Isabel ventures further into the murky depths of her past. But nothing is as it seems – either past or present – and as Isabel's world unravels we finally realise the stunning, shattering truth . . . 'Exquisitely written yet utterly chilling, this will keep you gripped from start to finish; a potential book-group classic' Elle magazine

The Coach Operators Handbook

The Insight and the Outsight

GRIN Verlag Seminar paper from the year 2009 in the subject American Studies - Miscellaneous, grade: 1.0, TU Dortmund (Anglistik & Amerikanistik), course: The Image of America in German Language Literature, language: English, comment: Was ist Amerika? Diese Seminararbeit beschäftigt sich mit (Vor-)Urteilen zur Lebensweise, zum Selbstverständnis und zur Aussenwahrnehmung des amerikanischen Staates. Die Analyse erfolgt aufgrund der literarischen Werke von Paul Watzlawick und Bill Bryson., abstract: The reason why I decided to focus on this topic is simple: There are innumerable images and concepts of America1, written down by an equally uncountable number of writers from all around the world, also including citizens of the United States themselves. Moreover, I tend to believe that there is no other country in the world, which had inspired more authors to deal with it in their literature. This might be a result of the well-known picture of America as the land of unlimited opportunities, which spread around people's minds ever since the "New World" had been discovered in 1492. As many people still regard America as the "promised land," there surely developed Images of this country, which might not always be true, or at least not as positive as some dreamers might think. Therefore, I decided to base my essay on the books of two quite critical authors, Paul Watzlawick and Bill Bryson, who present America in a questioning way and do not simply glorify its social, economical and political structures. Nonetheless, both authors succeed in drawing a rather sympathetic Image of America. This literary contrast encouraged me to compare both: authors and novels, but most importantly, the development of their Images of America."

Hand Made in Britain - The Visitors Guide

Vacation Work Publications An exciting title designed to guide people to the wealth of design talent and artistic expertise which is currently resurgent around Britain. As people are becoming increasingly dissatisfied with the anonymous uniformity of factory goods they are looking for a rejuvenation of old skills and the development of new ones. A book for: Tourists wanting to visit workshops to see wood turning, glassblowers, toymakers, potters etc. at work: Holidaymakers looking for galleries and craft shops in which to purchase hand made artefacts: Homemakers who wish to find out where to find

hand crafted tiles, sundials, tables, fountains or other items for house or garden: Buyers and Collectors who can use the book as a mail order catalogue for buying anything from rocking horses and dolls' houses to walking sticks and clay pipes. The book is lavishly produced, printed in two colours throughout plus a full colour 16 page Gallery Guide section. It includes fourteen regional chapters - all with maps - divided by craft, from ceramics and silver to furniture and toys.

David Bruce and Diplomatic Practice

An American Ambassador in London, 1961-9

Bloomsbury Publishing USA David Bruce (1898-1977) was a prominent American diplomat, who served in France, Germany, and the UK. His work is examined here to provide an in-depth look at the practice of diplomacy and the role of the ambassador as diplomatic actor. This thorough survey aims to investigate the relevance of the resident embassy to modern diplomacy. To do so, it focuses on the ambassador's daily work as a diplomat, looking at his role in promoting friendly relations, his political reporting, policy advising, as well as the role of his staff and his relations with others in the Foreign Service. It also addresses major issues such as the debate over the 'death of the embassy,' showing that ambassadors remain vital actors in the relations between major powers. The work integrates theoretical material on diplomatic practice and the case study of a highly regarded diplomat. This unique, readable study will appeal to students in diplomacy, international relations, American politics, as well as to trainee and junior diplomats.

Manual of Heritage Management

Architectural Press Aimed at those concerned with managing aspects of natural habitats, landscapes, archaeological sites and historical structures, this manual discusses basic principles such as research and conservation, and covers the marketing operation of heritage sites. Case studies are included.

Women and Justice

Routledge First published in 1999. Routledge is an imprint of Taylor & Francis, an informa company.

The Body

A Guide for Occupants

Anchor NEW YORK TIMES BESTSELLER • Bill Bryson, bestselling author of A Short History of Nearly Everything, takes us on a head-to-toe tour of the marvel that is the human body—with a new afterword for this edition. Bill Bryson once again proves himself to be an incomparable companion as he guides us through the human body—how it functions, its remarkable ability to heal itself, and (unfortunately) the ways it can fail. Full of extraordinary facts (your body made a million red blood cells since you started reading this) and irresistible Brysonesque anecdotes, The Body will lead you to a deeper understanding of the miracle that is life in general and you in particular. As Bill Bryson writes, “We pass our existence within this wobble of flesh and yet take it almost entirely for granted.” The Body will cure that indifference with generous doses of wondrous, compulsively readable facts and information. As addictive as it is comprehensive, this is Bryson at his very best, a must-read owner's manual for every body.
