Developed by education experts, the Spectrum Middle School Math series strengthens the important home-to-school connection and prepares children for math success. Filled with easy instructions and rigorous practice, Spectrum Algebra helps children soar in a standards-based classroom!

Schaum's Outline of Complex Variables (2nd Edition). Human Relationship Skills Training and Self-help Burns & Oates In this second edition of Human Relationship Skills the author demonstrates how such skills can be learnt, encouraging readers to accept responsibility for developing them and putting them into practice. New to this edition are chapters on what the reader brings to relationships, on choosing relationships and on strengthening them, reflecting the emphasis on people working together rather than alone. This theme is backed up by exercises and suggestions for personal experiments throughout the book which can be worked through by readers on their own, in pairs or in groups.
