Without you reading and enjoying my books, I would never have had the fabulous career I've been blessed with. We make a great team! I thought it would be nice for you all to join the celebration with me and to offer a small token of my thanks and appreciation for all your support over the years. I love writing short stories and that's what helped to get me started on this road so I've put together a collection of a few of my favourites that have interspersed the last twenty-five books. Each one is very special to me for a different reason and has lovely memories. I hope you enjoy them too. Find half an hour to curl up on the sofa with them and raise a glass to toast twenty-five books and us! Cheers! Carole xx *Includes an exclusive extract from The Cake Shop in the Garden*

For Better, for Worse

A Novel

Harper Collins After her marriage to Damien ended in disaster, Londoner Josie Flynn -- thirtysomething and single again -- is flying across the ocean to her American cousin's "big mistake" wedding. In her present "love stinks" frame of mind, the last person she expects to be seated next to on the flight is someone like Matt Jarvis. A recently divorced rock journalist, Matt is sensitive, good-looking, and remarkably attentive -- and before their plane touches down, Josie's smitten. So how can she hope to convince her cousin to cut and run when Josie is all ready to leap into love again -- with a stranger, no less, who might be just another Mr. Totally Wrong in Mr. Seductively Right's clothing? The point is rendered moot, of course, once they deplane and she and Matt go their separate ways. After all, Josie's got prenuptial confabs to worry about and that dreaded lilac chiffon bridesmaid's dress to wear. But Dante himself couldn't have dreamed up the hell this wedding is proving to be -- and when her dream hunk reappears and throws himself into the mix, Josie finds herself wondering how she -- or any unattached modern woman, in fact -- can hope to survive the new romantic rules of the twenty-first century. Already a bestseller in the U.K., Carole Matthews's *For Better, for Worse* is a deliriously droll, dead-on tale of marriage, sex, monogamy, and modern love.

Things never seem to go as easily for thirteen-year-old Frankie as they do for her sister, Tess. Unlike Tess, Frankie is neurodivergent. In her case, that means she can't stand to be touched, loud noises bother her, she's easily distracted, she hates changes in her routine, and she has to go see a therapist while other kids get to hang out at the beach. It also means Frankie has trouble making friends. She did have one--Colette--but they're not friends anymore. It's complicated. Then, just weeks before the end of seventh grade, Colette unexpectedly shows up at Frankie's door. The next morning, Colette vanishes. Now, after losing Colette yet again, Frankie's convinced that her former best friend left clues behind that only she can decipher, so she persuades her reluctant sister to help her unravel the mystery of Colette's disappearance before it's too late. A powerful story of friendship, sisters, and forgiveness, Tornado Brain is an achingly honest portrait of a young girl trying to find space to be herself.
