GABE JOHNSON TAKES OVER

Sourcebooks, Inc. From Geoff Herbach, the award-winning author of the hit young adult novels Stupid Fast and Nothing Special, comes the ultimate underdog story, which will resonate with anyone who has suffered from teasing and bullying at the hands of the high school social hierarchy—and decided to do something about it. (Previously titled Fat Boy vs The Cheerleaders.) Gabe is having a tough week. Normally the funny kid at the lunch table, he's on edge from trying to kick his soda addiction. So when news breaks that his beloved marching band camp has been cancelled due to lack of funding, he's furious. What makes him even madder? The school's vending machine money—which had previously been collected by the band—is now sponsoring the new cheer squad. The war is ON. And Gabe is leading the charge. No one will be safe from the Geekers' odd brand of wrath: not the principal, the band teacher, the local newspaper, and certainly not the cheerleaders and their jock boyfriends. Get ready: Life at Minnekota Lake Area High School is about to change. Gabe Johnson is taking over. "A funny, uplifting, and rousing book that'll make readers think. In other words, it's a real gem." —K. M. Walton, author of Cracked and Empty

MONEY, POSSESSIONS, AND ETERNITY

Tyndale House Publishers, Inc. Who wants to settle for fleeting treasures on earth . . . when God offers everlasting treasures in heaven? Its time to rethink our perspectives on money and possessions. In this thoroughly researched classic, Randy Alcorn shows us how to view these things accurately as Gods provision for our good, the good of others, and his glory. Alcorn presents a biblical and comprehensive view of money and possessions, including the following: Why is money so important to God? Is prosperity theology right or wrong? How can we be liberated from materialism? What should we do about debt? How much does God want us to give? How can we best help the poor and reach the lost? What about gambling? Investing? Insurance? Saving? Retirement? Inheritance? How can we leave our children a true heritage? How can we use money in ways that God rewards? This practical and refreshing theology of money contains topical and Scripture indexes, a study guide, and five helpful appendices.

CHAPTERS OF THE GOSPELS

AuthorHouse Much as he did on his previous work, "Our Daily Bread: Exposition of the Readings of Catholic Mass", the author has sought to let scripture speak for itself. This is again evident in extensive quoting and paraphrasing of the word, but perhaps more significantly in his taking as guiding principle the Lord's instruction not to consider beforehand what to say when brought to bear witness to him (see Mk.13:11).

CATHOLIC ESSENTIALS

AN OVERVIEW OF THE FAITH

Catholic Essentials: An Overview of the Faith is a source of knowledge about Jesus, the Holy Trinity, the Catholic Church, the Sacraments, and ways those who believe in Jesus live out their faith. Organized around the new U.S. Bishops High School Curriculum Framework, this book is an essential resource to accompany a full study of Jesus Christ. Catholic Essentials provides an in-depth overview and synthesis of the eight courses of a high school theology curriculum making it perfect as a compendium for the students' four years of high school or as a primary text for an introductory or review course. It can also easily be used in a parish religious education program. The text follows each course outline of the new curriculum framework. Each required course is covered by a complete chapter; each elective course is summarized in the appendix section. Several essential prayers, glossary terms, and the frequently asked questions named in the framework are included in the text.
