**Significant Objects** *Fantagraphics Books 100 EXTRAORDINARY STORIES ABOUT ORDINARY THINGS SIGNIFICANT OBJECTS: A Literary and Economic Experiment* Can a great story transform a worthless trinket into a significant object? The Significant Objects project set out to answer that question once and for all, by recruiting a highly impressive crew of creative writers to invent stories about an unimpressive menagerie of items rescued from thrift stores and yard sales. That secondhand flotsam definitely becomes more valuable: sold on eBay, objects originally picked up for a buck or so sold for thousands of dollars in total — making the project a sensation in the literary blogosphere along the way. But something else happened, too: The stories created were astonishing, a cavalcade of surprising responses to the challenge of manufacturing significance. Who would have believed that random junk could inspire so much imagination? The founders of the Significant Objects project, that's who. This book collects 100 of the finest tales from this unprecedented creative experiment; you'll never look at a thrift-store curiosity the same way again. **FEATURING ORIGINAL STORIES BY:** Chris Adrian • Rob Agredo • Kurt Andersen • Rachel Axler • Rob Baedeker • Nicholson Baker • Rosecrans Baldwin • Matthew Battles • Charles Baxter • Kate Bernheimer • Susanna Breslin • Kevin Brockmeier • Matt Brown • Blake Butler • Meg Cabot • Tim Carvell • Patrick Cates • Dan Chaon • Susanna Daniel • Adam Davies • Kathryn Davis • Matthew De Abaitua • Stacey • D'Erasmus • Helen DeWitt • Doug Dorst • Mark Doty • Ben Ehrenreich • Mark Frauenfelder • Amy Fusselman • William Gibson • Myla Goldberg • Ben Greenman • Jason Grote • Jim Hanas • Jennifer Michael Hecht • Sheila Heti • Christine Hill • Dara Horn • Shelley Jackson • Heidi Julavits • Ben Katchor • Matt Klam • Wayne Koestenbaum • Josh Kramer • Kathryn Kuitenbrouwer • Neil LaBute • Victor LaValle • J. **Moonlight Over Paris A Novel** HarperCollins An aristocratic young woman leaves the sheltered world of London to find adventure, passion, and independence in 1920s Paris in this mesmerizing story from the USA Today and internationally bestselling author of *Somewhere in France* and *After the War is Over*. Spring, 1924 Recovering from a broken wartime engagement and a serious illness that left her near death, Lady Helena Montagu-Douglas-Parr vows that for once she will live life on her own terms. Breaking free from the stifling social constraints of the aristocratic society in which she was raised, she travels to France to stay with her free spirited aunt. For one year, she will simply be Miss Parr. She will explore the picturesque streets of Paris, meet people who know nothing of her past—and pursue her dream of becoming an artist. A few years after the Great War's end, the City of Light is a bohemian paradise teeming with actors, painters, writers, and a lively coterie of

American expatriates who welcome Helena into their romantic and exciting circle. Among them is Sam Howard, an irascible and infuriatingly honest correspondent for the Chicago Tribune. Dangerously attractive and deeply scarred by the horror and carnage of the war, Sam is unlike any man she has ever encountered. He calls her Ellie, sees her as no one has before, and offers her a glimpse of a future that is both irresistible and impossible. As Paris rises phoenix-like from the ashes of the Great War, so too does Helena. Though she's shed her old self, she's still uncertain of what she will become and where she belongs. But is she strong enough to completely let go of the past and follow her heart, no matter where it leads her? Artfully capturing the Lost Generation and their enchanting city, *Moonlight Over Paris* is the spellbinding story of one young woman's journey to find herself, and claim the life—and love—she truly wants.

**The Maidens A Novel** Celadon Books **\*\*THE INSTANT NEW YORK TIMES BESTSELLER\*\*** "Alex Michaelides's long-awaited next novel, 'The Maidens,' is finally here...the premise is enticing and the elements irresistible." —The New York Times "A deliciously dark, elegant, utterly compulsive read—with a twist that blew my mind. I loved this even more than I loved *The Silent Patient* and that's saying something!" —Lucy Foley, New York Times bestselling author of *The Guest List* From the #1 New York Times bestselling author of *The Silent Patient* comes a spellbinding tale of psychological suspense, weaving together Greek mythology, murder, and obsession, that further cements "Michaelides as a major player in the field" (Publishers Weekly). Edward Fosca is a murderer. Of this Mariana is certain. But Fosca is untouchable. A handsome and charismatic Greek tragedy professor at Cambridge University, Fosca is adored by staff and students alike—particularly by the members of a secret society of female students known as The Maidens. Mariana Andros is a brilliant but troubled group therapist who becomes fixated on The Maidens when one member, a friend of Mariana's niece Zoe, is found murdered in Cambridge. Mariana, who was once herself a student at the university, quickly suspects that behind the idyllic beauty of the spires and turrets, and beneath the ancient traditions, lies something sinister. And she becomes convinced that, despite his alibi, Edward Fosca is guilty of the murder. But why would the professor target one of his students? And why does he keep returning to the rites of Persephone, the maiden, and her journey to the underworld? When another body is found, Mariana's obsession with proving Fosca's guilt spirals out of control, threatening to destroy her credibility as well as her closest relationships. But Mariana is determined to stop this killer, even if it costs her everything—including her own life.

**I Drink for a Reason** Grand Central Publishing After a decade spent in isolation in the Ugandan jungles thinking about stuff, David Cross has written his first book. Known for roles on the

small screen such as "never-nude" Tobias Funke on *Arrested Development* and the role of "David" in *Mr. Show With Bob And David*, as well as a hugely successful stand-up routine full of sharp-tongued rants and rages, Cross has carved out his place in American comedy. Whether deflating the pomposity of religious figures, calling out the pathetic symbiosis of pseudo-celebrity and its leaching fandom, or merely pushing the buttons of the way-too-easily offended P.C. left or the caustic, double-standard of the callous (but funnier) right, Cross has something to say about everyone, including his own ridiculous self. Now, for the first time, Cross is weaving his media mockery, celebrity denunciation, religious commentary and sheer madness into book form, revealing the true story behind his almost existential distaste of Jim Belushi ("The Belush"), disclosing the up-to-now unpublished minutes to a meeting of Fox television network executives, and offering up a brutally grotesque run-in with Bill O'Reilly. And as if this wasn't enough for your laughing pleasure in these troubled times, some of the pieces splinter off with additional material being created online in exclusive video and animated web content created solely for the book—a historical first (presumably)! With a mix of personal essays, satirical fiction posing as truth, advice for rich people, information from America's least favorite Rabbi and a top-ten list of top-ten lists, *I DRINK FOR A REASON* is as unique as the comedian himself, and cannot be missed. **Lost in Translation A Novel** Delta A novel of searing intelligence and startling originality, *Lost in Translation* heralds the debut of a unique new voice on the literary landscape. Nicole Mones creates an unforgettable story of love and desire, of family ties and human conflict, and of one woman's struggle to lose herself in a foreign land—only to discover her home, her heart, herself. At dawn in Beijing, Alice Mannegan pedals a bicycle through the deserted streets. An American by birth, a translator by profession, she spends her nights in Beijing's smoke-filled bars, and the Chinese men she so desires never misunderstand her intentions. All around her rushes the air of China, the scent of history and change, of a world where she has come to escape her father's love and her own pain. It is a world in which, each night as she slips from her hotel, she hopes to lose herself forever. For Alice, it began with a phone call from an American archaeologist seeking a translator. And it ended in an intoxicating journey of the heart—one that would plunge her into a nation's past, and into some of the most rarely glimpsed regions of China. Hired by an archaeologist searching for the bones of Peking Man, Alice joins an expedition that penetrates a vast, uncharted land and brings Professor Lin Shiyang into her life. As they draw closer to unearthing the secret of Peking Man, as the group's every move is followed, their every whisper recorded, Alice and Lin find shelter in each other, slowly putting to rest the ghosts of their pasts. What happens between them becomes one of the most breathtakingly erotic love stories in recent fiction. Indeed, *Lost in Translation* is a novel about love—between a nation and its past, between a man and a memory, between a father and a daughter. Its powerful impact confirms the extraordinary gifts of a master storyteller, Nicole Mones. **Los Angeles Magazine** Los Angeles magazine is a regional magazine of national stature.
