Mr. Carpenter lived at Niantic Ferry, of which he had a lease from Edward Palmes. He left an only son, David, baptized Nov. 12th, 1682, and several daughters. His relict married William Stevens, of Killingworth. Alexander Pygan, died in 1701. On his first arrival in the plantation, Mr. Pygan appears to have been a lawless young man, of "passionate and distempered carriage," as it was then expressed; one who we may suppose "left his country for his country's good." But the restraints and influences with which he was here surrounded, produced their legitimate effect, and he became a discreet and valuable member of the community. Alexander Pygan, of Norwich, Old England, was married unto Judith, daughter of William Redfin, (Redfield,) June 17th, 1667. Children. 1. Sarah, born Feb. 23d, 1669-70; married Nicholas Hallam. 2. Jane, " Feb., 1670-1; married Jonas Green. Mrs. Judith Pygan died April 30th, 1678. After the death of his wife, Mr. Pygan dwelt a few years at

Saybrook, where he had a shop of goods, and was licensed by the county court as an innkeeper. Here also he married an estimable woman, Lydia, relict of Samuel Boyes, April 15th, 1684. Only one child was the issue of this marriage. 3. Lydia, born Jan. 10th, 1654-5; married Rev. Eliphalet Adams. Samuel Boyes, the son of Mrs. Lydia Pygan, by her first husband, was born Dec. 6th, 1673. Mr. Pygan soon returned with his family to New London, where he died in the year 1701. He is the only person of the family name of Pygan, that the labor of genealogists has as yet brought to light in New England. His relict, Mrs. Lydia Pygan, died July 20th, 1734. He has gone from being at the forefront of society to being almost cast off. Miss Amelia Basingstoke is on her third season, still unmarried and a confirmed wallflower. Mrs. Keppel and Her Daughter A Biography *St. Martin's Griffin* Alice Keppel, the married lover of Queen Victoria's eldest son and great-grandmother to Camilla Parker-Bowles, was a key figure in Edwardian society. Hers was the acceptable face of adultery. Discretion was her hallmark. It was her art to be the king's mistress and yet to laud the Royal Family and the institution of marriage. Formidable and manipulative, her attentions to the king brought her wealth, power, and status. Her daughter Violet Trefusis had a long tempestuous affair with the author and aristocrat Vita Sackville-West, during which Vita left her husband and two sons to travel abroad with Violet. It was a liaison that threatened the fabric of Violet's social world, and her passion and recalcitrance in pursuit of it pitted her against her mother and society. From memoirs, diaries, and letters, Diana Souhami portrays this fascinating and intense mother/daughter relationship in *Mrs. Keppel and Her Daughter*. Her story of these women, their lovers, and their lovers' mothers, highlights Edwardian - and contemporary - duplicity and double standards and goes to the heart of questions about sexual freedoms. *When a Scot Ties the Knot Castles Ever After* *HarperCollins* On the cusp of her first London season, Miss Madeline Gracechurch was shy, pretty, and talented with a drawing pencil, but hopelessly awkward with gentlemen. She was certain to be a dismal failure on the London marriage mart. So Maddie did what generations of shy, awkward young ladies have done: she invented a sweetheart. A Scottish sweetheart. One who was handsome and honorable and devoted to her, but conveniently never around. Maddie poured her heart into writing the imaginary Captain MacKenzie letter after letter . . . and by pretending to be devastated when he was (not really) killed in battle, she managed to avoid the pressures of London society entirely. Until years later, when this kilted Highland lover of her imaginings shows up in the flesh. The real Captain Logan MacKenzie arrives on her doorstep—handsome as anything, but not entirely

honorable. He's wounded, jaded, in possession of her letters . . . and ready to make good on every promise Maddie never expected to keep. A History of Pendennis. Volume 1. Dictionary Catalog of the Schomburg Collection of Negro Literature & History Nicomachean Ethics *Phoemixx Classics Ebooks* Nicomachean Ethics Aristotle - The Nicomachean Ethics is one of Aristotle's most widely read and influential works. Ideas central to ethics—that happiness is the end of human endeavor, that moral virtue is formed through action and habituation, and that good action requires prudence—found their most powerful proponent in the person medieval scholars simply called "the Philosopher." Drawing on their intimate knowledge of Aristotle's thought, Robert C. Bartlett and Susan D. Collins have produced here an English-language translation of the Ethics that is as remarkably faithful to the original as it is graceful in its rendering. Aristotle is well known for the precision with which he chooses his words, and in this elegant translation his work has found its ideal match. Bartlett and Collins provide copious notes and a glossary providing context and further explanation for students, as well as an introduction and a substantial interpretive essay that sketch central arguments of the work and the seminal place of Aristotle's Ethics in his political philosophy as a whole. The Nicomachean Ethics has engaged the serious interest of readers across centuries and civilizations—of peoples ancient, medieval, and modern; pagan, Christian, Muslim, and Jewish—and this new edition will take its place as the standard English-language translation. Until now, Kathryn Lyons's life has been peaceful if unextraordinary: a satisfying job teaching high school in the New England mill town of her childhood; a picture-perfect home by the ocean; a precocious, independent-minded fifteen-year-old daughter; and a happy marriage whose occasional dull passages she attributes to the unavoidable deadening of time. As Kathryn struggles with her grief, she descends into a maelstrom of publicity stirred up by the modern hunger for the details of tragedy. Even before the plane is located in waters off the Irish coast, the relentless scrutiny of her husband's life begins to bring a bizarre personal mystery into focus. Commander Edward John Smith's career had been a remarkable example of how a man from a humble background could get far in the world. Born to a working-class family in the landlocked Staffordshire Potteries, he went to sea at the age of 17 and rose rapidly through the

ranks of the merchant navy, serving first in sailing vessels and later in the new steamships of the White Star Line. By 1912, he as White Star's senior commander and regarded by many in the shipping world as the 'millionaire's captain'. In 1912, Smith was given command of the new RMS Titanic for her maiden voyage, but what should have been among the crowning moments of his long career at sea turned rapidly into a nightmare following Titanic's collision with an iceberg. In a matter of hours the supposedly unsinkable ship sank, taking over 1,500 people with her, including Captain Smith.
