**The Ersatz Elevator** The woeful saga of the Baudelaire orphans continues as evil Count Olaf discovers their whereabouts at Esmé Squalor's seventy-one bedroom penthouse and concocts a new plan for stealing their family fortune. **A Series of Unfortunate Events #6: The Ersatz Elevator** Harper Collins NOW A NETFLIX ORIGINAL SERIES In their most daring misadventure, the Baudelaire orphans are adopted by very, very rich people, whose penthouse apartment is located mysteriously close to the place where all their misfortune began. Even though their new home in the city is fancy, and the children are clever and charming, I'm sorry to say that still, the unlucky orphans will encounter more disaster and woe. In fact, in this sixth book in A Series of Unfortunate Events, the children will experience a darkened staircase, a red herring, an auction, parsley soda, some friends in a dire situation, a secret passageway, and pinstripe suits. Both literary and irreverent, hilarious and deftly crafted, A Series of Unfortunate Events offers an exquisitely dark comedy in the tradition of Edward Gorey and Roald Dahl. Lemony Snicket's uproariously unhappy books continue to win readers, despite all his warnings. **The Ersatz Elevator A Series of Unfortunate Events A Series of Unfortunate Events #6: the Ersatz Elevator [Netflix Tie-In Edition] NOW A NETFLIX ORIGINAL SERIES** In their most daring misadventure, the Baudelaire orphans are adopted by very, very rich people, whose penthouse apartment is located mysteriously close to the place where all their misfortune began. Even though their new home in the city is fancy, and the children are clever and charming, I'm sorry to say that still, the unlucky orphans will encounter more disaster and woe. In fact, in this sixth book in A Series of Unfortunate Events, the children will experience a darkened staircase, a red herring, an auction, parsley soda, some friends in a dire situation, a secret passageway, and pinstripe suits. Both literary and irreverent, hilarious and deftly crafted, A Series of Unfortunate Events offers an exquisitely dark comedy in the tradition of Edward Gorey and Roald Dahl. Lemony Snicket's uproariously unhappy books continue to win readers, despite all his warnings. **Bedtime for Bear** Harper Collins Wintertime is here, and that means it is bedtime for Bear. But Bear's friends don't think so. They want Bear to come and play outside in the snow. Bear can hear his friends calling. He hears them laughing and playing. Bear can't sleep. But it's bedtime! What is a bear to do? **A Series of Unfortunate Events: ersatz elevator** After the sudden death of their parents, the three Baudelaire children must depend on each other and their wits when it turns out that the distant relative who is appointed their guardian is determined to use any means necessary to get their fortune throughout this series of books. **Read Something Else: Collected & Dubious Wit & Wisdom of Lemony Snicket** HarperCollins Looking for wit, wisdom, and inspiration all within the pages of one useful book? **Read Something Else.** Life is a turbulent journey, fraught with confusion, heartbreak, and inconvenience. This collection of wit and wisdom from New York Times bestselling author Lemony Snicket is unlikely to help. It includes a new introduction filled with curious aphorisms, a handful of never-before-seen-or-heard quotations, and fan favorites from works over the years. These dubious offerings, collected from Snicket's books, unpublished papers, and more, have been made pleasing to the eye by illustrations, select fan art, and design flourishes. **The Lump of Coal** Harper Collins Forget Frosty the Snowman or Rudolph the Red-Nosed Reindeer. The next great holiday hero is a small, flammable chunk of barbecue fodder. He's impeccably dressed, he's terribly grumpy, and he's looking for a holiday miracle. It's unmistakably Snicket - here's the opening line: This holiday season is a time for stoytelling, and whether you are hearing the story of a candelabra staying lit for more than a week, or a baby born in a barn without proper medical supervision, these stories often feature miracles. **A Series of Unfortunate Events Box: The Situation Worsens** HarperCollins What could be worse than a book by Lemony Snicket? Three books by Lemony Snicket—all in one foul package. This second Box of Unfortunate Events, contains **The Miserable Mill**, **The Austere Academy**, and **The Ersatz Elevator**. **The Dilemma Deepens** **The Vile Village**, **the Hostile Hospital**, & **the Carnivorous Carnival** **The Ersatz Elevator** Violet, Klaus en Sunny worden bij voogden in een vreemd appartementencomplex geplaatst. In een pikdonkere liftschacht doen ze een enge ontdekking. Vanaf ca. 11 jaar. **The Ersatz Elevator** The quick student workbooks are designed to get students thinking critically about the text they read and providing a guided study format to facilitate in improved learning and retention. Teachers and Homeschool Instructors may use them to improve student learning and organization. This series is not meant to replace a teacher but as support for teaching. What students will construct and identify the following areas of knowledge. **Character Identification** **Events Location** **Vocabulary** **Main Idea** **Conflict** And more as appropriate to the text. **The Bad Beginning 20th Anniversary Gift Edition** **The Bad Beginning** is the first book in the globally bestselling series **A Series of Unfortunate Events**. This exclusive gold foiled 20th anniversary hardback gift edition commiserates

the fact that this brilliantly funny book has been miserably longed for by every child in the world for the last twenty years. Perfect for fans of Roald Dahl and Mr Gum, young readers of 8 to 12 will adore the mischievously dark humour. A Series of Unfortunate Events' has been made into both a blockbuster Hollywood film starring Jim Carey and also a hit Netflix TV series. Dear reader, There is nothing to be found in Lemony Snicket's 'A Series of Unfortunate Events' but misery and despair. You still have time to choose another international best-selling series to read. But if you insist on discovering the unpleasant adventures of the Baudelaire orphans, then proceed with caution... Violet, Klaus, and Sunny Baudelaire are intelligent children. They are charming, and resourceful, and have pleasant facial features. Unfortunately, they are exceptionally unlucky. In *The Bad Beginning*, the siblings encounter a greedy and repulsive villain, itchy clothing, a disastrous fire, a plot to steal their fortune and cold porridge for breakfast. You have been warned... Are you unlucky enough to own all 13 adventures? *The Bad Beginning* *The Reptile Room* *The Wide Window* *The Miserable Mill* *The Austere Academy* *The Ersatz Elevator* *The Vile Village* *The Hostile Hospital* *The Carnivorous Carnival* *The Slippery Slope* *The Grim Grotto* *The Penultimate Peril* *The End* And what about *All the Wrong Questions*? In this four-book series a 13-year-old Lemony chronicles his dangerous and puzzling apprenticeship in a mysterious organisation that nobody knows anything about: 'Who Could That Be at This Hour?' 'When Did you Last See Her?' 'Shouldn't You Be in School?' 'Why is This Night Different from All Other Nights?' A Series of Unfortunate Events Collection: Books 4-6 Harper Collins NOW A NETFLIX ORIGINAL SERIES A Warning from the Publisher: Imagine you are wearing a bandage that needs to be removed. Are you the sort of person who tears the bandage right off, causing an enormous amount of pain in a short instance? Or do you prefer to spread your pain out over a longer period of time, by slowly unpeeling the bandage from your injury? If you are the first type of person, then this three-book electronic collection might be for you. All of the misery and woe available in three Lemony Snicket volumes—*The Miserable Mill*, *The Austere Academy*, and *The Ersatz Elevator*—have been joined into one compactly miserable package, so readers foolish enough to read about the Baudelaire orphans can be unnerved in a slightly more economical fashion. If you are the second type of person, then volumes four through six in *A Series of Unfortunate Events* might be for you. Even if you unwisely choose to read them at a more leisurely pace, you will encounter such atrocities as poorly paid employees, a hypnotist, an evil scheme, a gym teacher, dripping fungus, another evil scheme, a fake accent, three mysterious consonants, a red herring, and at least one more evil scheme. Of course, most people would prefer not to be injured at all. We salute these sensible people, who will doubtless not purchase any books by Lemony Snicket, no matter how conveniently bundled. "Why Is This Night Different from All Other Nights?" Little, Brown Books for Young Readers Before the Baudelaire orphans, before he encountered *A Series of Unfortunate Events*, even before the invention of Netflix, Lemony Snicket was a boy discovering the mysteries of the world. Train travel! Murder! Librarians! *A Series* Finale! On all other nights, the train departs from Stain'd Station and travels to the city without stopping. But not tonight. You might ask, why is this night different from all other nights? But that's the wrong question. Instead ask, where is this all heading? And what happens at the end of the line? The final book in Lemony Snicket's bestselling series, *All the Wrong Questions*. *The Vile Village* Egmont Books (UK) Why would anyone want to open a book containing such unpleasant matters as migrating crows, an angry mob, a newspaper headline, the arrest of innocent people, the Deluxe cell, and some very strange hats. *The Hostile Hospital* Egmont Books (UK) There is nothing to be found in the pages of *A Series of Unfortunate Events* but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasanties befall the charming and clever Baudelaire children read on . . . There are many pleasant things to read about, but *The Hostile Hospital* contains none of them. Within its pages are such burdensome details as a suspicious shopkeeper, unnecessary surgery, heartshaped balloons, and some very startling news about a fire. Clearly you do not want to read about such things. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's *A Series of Unfortunate Events* to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake. *Prince Across the Water* Open Road Media A Highland lad comes of age at the brutal battle of Culloden in 18th-century Scotland In the year 1745, the cry goes out across the Scottish Highlands for every able-bodied Scotsman to take up arms in support of Bonnie Prince Charlie. Stalwart and brave but prone to sudden seizures, young Duncan longs to join his da and the other men of clan MacDonald in the noble fight against the English. His father decrees the boy must remain behind, but the call to war is impossible to ignore, and when Duncan learns of his uncle's death in battle, he joins his cousin Ewan and sets out to fight for their country and their prince. But the reality of war is not the glorious undertaking Duncan has long heard spoken of and sung in stirring ballads and stories—and on the battlefield of Culloden he will be tested in ways he never could have imagined and leave boyhood behind forever amid the blood, fire, and death. Critically acclaimed, award-winning authors Jane Yolen and Robert J. Harris merge their considerable storytelling talents in a riveting, moving tale of a young boy's rocky and perilous road to manhood. Richly atmospheric and firmly based in fact, *Prince Across the Water* is enthralling historical fiction—a powerful and unforgettable journey back in time and an unflinching look at the true face of war. *Poison for Breakfast* Liveright Publishing Washington Post Bestseller A new stand-alone adventure—appropriate for all ages—by Lemony Snicket, one of the twenty-first century's most beloved authors. In the years since this publishing house was founded, we have worked with an array of wondrous authors who have brought illuminating clarity to our bewildering world. Now, instead, we bring you Lemony Snicket. Over the course of his long and suspicious career, Mr. Snicket has investigated many things, including villainy, treachery, conspiracy, ennui, and various suspicious fires. In this book, he is investigating his own death. *Poison for Breakfast* is a different sort of book than others we have published, and from others you may have read. It is different from other books Mr. Snicket has written. It could be said to be a book of philosophy, something almost no one likes, but it is also a mystery, and many people claim to like those. Certainly Mr. Snicket didn't relish the dreadful task of solving it, but he had no choice. It was put in front of him, right there, on his

plate. **A Series of Unfortunate Events 01. The Bad Beginning** Egmont Books (UK) There is nothing to be found in the pages of **A Series of Unfortunate Events** but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . In **The Bad Beginning** the three youngsters encounter a greedy and repulsive villain, itchy clothing, a disastrous fire, a plot to steal their fortune and cold porridge for breakfast. Then again, why trouble yourself with the unfortunate resolutions? With 5 million copies sold in the UK alone, one might consider Lemony Snicket's **A Series of Unfortunate Events** to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake. **The Austere Academy** From the Publisher: As the three Baudelaire orphans warily approach their new home Prufrock Preparatory School : they can't help but notice the enormous stone arch bearing the school's motto **Memento Mori** or "Remember you will die." This is not a cheerful greeting and certainly marks an inauspicious beginning to a very bleak story just as we have come to expect from Lemony Snicket's **Series of Unfortunate Events**, the deliciously morbid set of books that began with **The Bad Beginning** and only got worse. **The Babysitter My Summers with a Serial Killer** Atria Books Named Most Anticipated Crime Book of the Year by CrimeReads A chilling true story—part memoir, part crime investigation—reminiscent of Ann Rule's classic **The Stranger Beside Me**, about a little girl longing for love and how she found friendship with her charismatic babysitter—who was also a vicious serial killer. Growing up on Cape Cod in the 1960s, Liza Rodman was a lonely little girl. During the summers, while her mother worked days in a local motel and danced most nights in the Provincetown bars, her babysitter—the kind, handsome handyman at the motel where her mother worked—took her and her sister on adventures in his truck. He bought them popsicles and together, they visited his "secret garden" in the Truro woods. To Liza, he was one of the few kind and understanding adults in her life. Everyone thought he was just a "great guy." But there was one thing she didn't know; their babysitter was a serial killer. Some of his victims were buried—in pieces—right there, in his garden in the woods. Though Tony Costa's gruesome case made screaming headlines in 1969 and beyond, Liza never made the connection between her friendly babysitter and the infamous killer of numerous women, including four in Massachusetts, until decades later. Haunted by nightmares and horrified by what she learned, Liza became obsessed with the case. Now, she and cowriter Jennifer Jordan reveal the chilling and unforgettable true story of a charming but brutal psychopath through the eyes of a young girl who once called him her friend. **"Who Could That Be at This Hour?"** Little, Brown Books for Young Readers In a fading town, far from anyone he knew or trusted, a young Lemony Snicket began his apprenticeship in an organization nobody knows about. He started by asking questions that shouldn't have been on his mind. Now he has written an account that should not be published, in four volumes that shouldn't be read. This is the first volume. **Two Or Three Graces** **A Series of Unfortunate Events: The Blank Book** Harper Collins A book of blank pages for writing personal observations in the spirit of "A series of unfortunate events" by Lemony Snicket. **A Series of Unfortunate Events Collection: Books 10-13** Harper Collins NOW A NETFLIX ORIGINAL SERIES A Warning from the Publisher: If you have come this far, it is likely too late. Readers who have experienced the first nine volumes in **A Series of Unfortunate Events** by Lemony Snicket are usually so weakened by their dreadful knowledge of the Baudelaire orphans' story that they spend most of their time moaning and weeping, and have no strength to read **The Slippery Slope**, **The Grim Grotto**, **The Penultimate Peril**, or **The End**. If, by chance, your moaning and weeping is more or less under control, there is no need to further risk your physical, emotional, and literary health by reading the four remaining volumes in the series. It would be better to regain your strength by spending your time indulging in less alarming activities, such as whistling or making cupcakes for the elderly. After all, this collection contains all of the calamities in the last four volumes of **A Series of Unfortunate Events**, including abandoned condiments, cigarette smoking, a shocking revelation, a ridiculous laugh, a fearsome storm, a herd of wild sheep, a truly haunting secret about the Baudelaire parents, another shocking revelation, and Phil. There is no need to expose yourself to such atrocities, not after all you've been through already. **A Series of Unfortunate Events Collection: Books 7-9** Harper Collins NOW A NETFLIX ORIGINAL SERIES A Warning from the Publisher: Would you rather sprain your ankle, bruise your hip, and lose a toe to frostbite on the same day? Or would you rather have these accidents happen on three different days? This electronic collection of volumes seven through nine in **A Series of Unfortunate Events** by Lemony Snicket is the e-equivalent of having three ghastly accidents right in a row. Contained here are such unpleasantries as kidnapping, disguise, murder, paperwork, another disguise, heart-shaped balloons, false allegations, stiletto heels, a shattered crystal ball, a cryptic map, an irritating song, and quite a few more disguises, all bundled together into a continuous barrage of horror and dismay. The more sensible approach would be to read **The Vile Village**, **The Hostile Hospital**, and **The Carnivorous Carnival** months or even years apart from one another, so you have time to recuperate from the misery each volume offers—or better yet, to turn your eyes away from Mr. Snicket's work and find an electronic experience that would cause you no distress whatsoever. **The Miserable Mill** Egmont Books (UK) There is nothing to be found in the pages of **A Series of Unfortunate Events** but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . There are many pleasant things to read about, but **The Miserable Mill** contains none of them. Within its pages one will find a giant pincher machine, a bad casserole, a man with a cloud of smoke where his head should be, a hypnotist, a terrible accident and coupons. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's **A Series of Unfortunate Events** to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake. **A Series of Unfortunate Events: The Notorious Notations** Harper Collins This terribly tempting blank book offers ruled pages detailed with illustrations and quotable quotations from Mr. Snicket's archives. This journal is resilient enough to hold even the most revolting revelations from any budding young researcher or writer in disguise. Consumable. **The Basic**

Eight A Novel Harper Collins Flannery Culp wants you to know the whole story of her spectacularly awful senior year. Tyrants, perverts, tragic crushes, gossip, cruel jokes, and the hallucinatory effects of absinthe -- Flannery and the seven other friends in the Basic Eight have suffered through it all. But now, on tabloid television, they're calling Flannery a murderer, which is a total lie. It's true that high school can be so stressful sometimes. And it's true that sometimes a girl just has to kill someone. But Flannery wants you to know that she's not a murderer at all -- she's a murderess. The Slippery Slope Egmont Books (UK) There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . Like handshakes, house pets or raw carrots, many things are preferable when not slippery. Unfortunately the Baudelaires run into more than their fair share of slipperiness during their harrowing journey up and down a range of strange and distressing mountains in The Slippery Slope. In order to spare you repulsion it is best not to mention any more regarding a secret message, a toboggan, a deceitful trap, a swarm of snow gnats and a scheming villain. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's A Series of Unfortunate Events to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake. File Under: 13 Suspicious Incidents (Reports 7-13) Little, Brown Books for Young Readers Before the Baudelaires became orphans, before he encountered A Series of Unfortunate Events, even before the invention of Netflix, Lemony Snicket was a boy discovering the mysteries of the world. Match wits with Lemony Snicket to solve thirteen mini-mysteries. Paintings have been falling off of walls, a loud and loyal dog has gone missing, a specter has been seen walking the pier at midnight -- strange things are happening all over the town of Stain'd-By-The-Sea. Called upon to investigate thirteen suspicious incidents, young Lemony Snicket collects clues, questions witnesses, and cracks every case. Join the investigation and tackle the mysteries alongside Snicket, then turn to the back of the book to see the solution revealed. A delicious read that welcomes readers into Lemony Snicket's world of deep mystery, mysterious depth, deductive reasoning, and reasonable deductions. A Series of Unfortunate Events: Lemony Snicket The Unauthorized Autobiography Harper Collins A Warning from the Publisher: Many readers have questions about Lemony Snicket, author of the distressing serial concerning the trials of the charming but unlucky Baudelaire orphans, published under the collective title A Series of Unfortunate Events. Before purchasing, borrowing, or stealing this book, you should be aware that it contains the answers to some of those questions, such as the following: 1. Who is Lemony? 2. Is there a secret organization I should know about? 3. Why does Lemony Snicket spend his time researching and writing distressing books concerning the Baudelaire orphans? 4. Why do all of Lemony Snicket's books contain a sad dedication to a woman named Beatrice? 5. If there's nothing out there, what was that noise? Our advice to you is that you find a book that answers less upsetting questions than this one. Perhaps your librarian, bookseller, or parole officer can recommend a book that answers the question, "Aren't ponies adorable?" A Series of Unfortunate Events #5-9 Netflix Tie-in Box Set HarperCollins NOW A NETFLIX ORIGINAL SERIES Don't be fooled by the new, Netflix-inspired book covers of the second five books in this New York Times bestselling series. The events recounted in this five-book box set (which includes The Austere Academy, The Ersatz Elevator, The Vile Village, The Hostile Hospital, and The Carnivorous Carnival) are sure to depress you. If you cannot stomach stories that find misfortune continuously befalling the three charming Baudelaire orphans, I recommend you make another reading selection. Some boxes should never be opened. El Ascensor Artificioso / the Ersatz Elevator Turtleback Books A Series of Unfortunate Events Box: The Trouble Begins HarperCollins The first Series of Unfortunate Events gift/box-set of this New York Times best-selling series. The set includes The Bad Beginning, The Reptile Room, and The Wide Window. A Series of Unfortunate Events Box: The Loathsome Library HarperCollins Readers incapable of running fast enough to escape Lemony Snicket's A Series of Unfortunate Events can breathe a sigh of relief now that the first six books of the series have been securely contained in a shrink-wrapped box disguised with exquisite Brett Helquist slip case art that will prevent this collection of woe from falling into the wrong hands. The King Will Kill You The Kingdoms of Sand & Sky Book Three Tor Teen The Princess Bride meets Game of Thrones in this commercial YA trilogy from acclaimed fantasy author Sarah Henning. Princess Amarande is finally on the verge of having everything she wants. To be with her true love Luca, no one nor law standing in the way. To rule Ardenia as queen outright, no marriage necessary, as Luca does the same with the reformed Torrence. To rebuild the continent of The Sand and Sky into a place not defined by archaic, patriarchal laws, but by the will of its people. However, threats await in the shadows of Amarande's hoped-for happily ever after. One expected and deadly to both her love and every one of her objectives. The other, unexpected, and arising with a vicious aim: revenge at any cost. Against the princess who killed him, the boy whose love made her do it, and the continent cruel enough to deserve his rage. The King Will Kill You is the epic, pulse-pounding conclusion to Sarah Henning's Kingdoms of Sand and Sky trilogy. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. The Wizards of Once Little, Brown Books for Young Readers The instant New York Times and International Bestseller! In the first book of a new series by the bestselling author of How to Train Your Dragon, the warring worlds of Wizards and Warriors collide in a thrilling and enchanting adventure. Once there were Wizards, who were Magic, and Warriors, who were not. But Xar, son of the King of Wizards, can't cast a single spell. And Wish, daughter of the Warrior Queen, has a banned magical object of her own. When they collide in the wildwood, on the trail of a deadly witch, it's the start of a grand adventure that just might change the fabric of their worlds. With Cressida Cowell's trademark wit, and the same stunning combination of action, adventure, heart, humor, and incredible artwork that made How to Train Your Dragon a beloved bestselling franchise, The Wizards of Once will transport and enchant readers. Hetty Feather Random House The mega-bestselling tale of fiery, spirited Victorian foundling, Hetty Feather. London, 1876. Hetty Feather is just a tiny baby when her mother leaves her at the Foundling Hospital. The Hospital cares for abandoned children - but Hetty must first live with a foster family until she is big

enough to go to school. Life in the countryside is sometimes hard, but with her foster brothers, Jem and Gideon, Hetty helps in the fields and plays vivid imaginary games. Together they sneak off to visit the travelling circus, and Hetty is mesmerised by the show - especially the stunning Madame Adeline and her performing horses. But Hetty's happiness is threatened once more when she must return to the Foundling Hospital to begin her education. The new life of awful uniforms and terrible food is a struggle for her, and she desperately misses her beloved Jem. But now she has the chance to find her real mother. Could she really be the wonderful Madame Adeline? Or will Hetty find the truth is even more surprising? Jacqueline Wilson will surprise and delight old fans and new with this utterly original historical novel. The first book featuring feisty Victorian heroine, Hetty Feather, this is a compelling, moving, funny and totally fascinating tale that will thrill and captivate readers.
