KEY=GREAT - KASSANDRA OCONNELL

THE GREAT RACE

THE STORY OF THE CHINESE ZODIAC

Barefoot Books Meanwhile, Cockerel had spotted something. A raft, he crowed triumphantly. Come on up, he called to Monkey and Sheep.

THE GREAT RACE

THE STORY OF THE CHINESE ZODIAC

Frances Lincoln Children's Books Celebrate Chinese New Year and learn how every animal earned its place in the Chinese zodiac by taking part in the Great Race! Discover who will come first to win the ultimate prize, and find out why Cat will never forgive his friend Rat in this ancient folk tale that has been passed from generation to generation. Praise for *Deep in the Woods*, the previous title from Christopher Corr: '... the book looks like a delectable candy box... There is a lesson here -- about friendship, and sharing -- but the book never feels plodding or pedantic... Which may be why the lesson just goes down like the truth.'

THE GREAT RACE

THE GLOBAL QUEST FOR THE CAR OF THE FUTURE

Simon and Schuster The Great Race recounts the exciting story of a century-long battle among automakers for market share, profit, and technological dominance—and the thrilling race to build the car of the future. The world's great manufacturing juggernaut—the \$3 trillion automotive industry—is in the throes of a revolution. Its future will include cars Henry Ford and Karl Benz could scarcely imagine. They will drive themselves, won't consume oil, and will come in radical shapes and sizes. But the path to that future is fraught. The top contenders are two traditional manufacturing giants, the US and Japan, and a newcomer, China. Team America has a powerful and little-known weapon in its arsenal: a small group of technology buffs and regulators from California. The story of why and how these men and women could shape the future—how you move, how you work, how you live on Earth—is an unexpected tale filled with unforgettable characters: a scorned chemistry professor, a South African visionary who went for broke, an ambitious Chinese ex-pat, a quixotic Japanese nuclear engineer, and a string of billion-dollar wagers by governments and corporations. "To explain the scramble for the next-generation auto—and the roles played in that race by governments, auto makers, venture capitalists, environmentalists, and private inventors—comes Levi Tillemann's *The Great Race*...Mr. Tillemann seems ideally cast to guide us through the big ideas percolating in the world's far-flung workshops and labs" (The Wall Street Journal). His account is incisive and riveting, explaining how America bounced back in this global contest and what it will take to command the industrial future.

BALTO AND THE GREAT RACE (TOTALLY TRUE ADVENTURES)

HOW A SLED DOG SAVED THE CHILDREN OF NOME

Random House Books for Young Readers **Balto** has a quiet life as a sled dog—until tragedy strikes. Dozens of children in Nome become sick with diphtheria. Without antitoxin serum, they will perish—and the closest supply is 650 miles away! The only way to get the serum to Nome is by sled, but can the dogs deliver it in time? Heading bravely into a brutal blizzard, Balto leads the race for life. A Kansas City Children’s Book Award for Grades 1-3

THE GREAT RACE

THE STORY OF THE CHINESE ZODIAC

Createspace Independent Publishing Platform **The Story of the Chinese Zodiac**. As the new year approaches, each animal wants it to be named after them, but no one can agree. The Jade Emperor decides there should be a race to decide the winner, but who will win?

THOMAS AND THE GREAT RACE

Random House Books for Young Readers When his friend Bertie the Bus challenges him to a race, Thomas really pours on the steam, in a train-shaped book with die-cut board pages and wheels.

THE GREAT RACE

STORY OF THE CHINESE ZODIAC (TRADITIONAL CHINESE, ENGLISH, PINYIN)

The Jade Emperor has invited all the animals of the kingdom for The Great Race. Which 12 animals will cross the river first and become a part of the Chinese Zodiac? Teach young readers Chinese through this retelling of a classic Chinese legend passed through the generations. Follow along in Traditional Chinese, Pinyin, and English. Children, parents, and teachers will enjoy the beautiful, immersive illustrations and dynamic story. A free audio reading in Mandarin is included to help with pronunciation. Books are also available in Simplified Chinese.

THE GREAT RACE (THOMAS & FRIENDS)

Random House Books for Young Readers Bertie the Bus wants to race, and Thomas happily takes up the challenge. Bertie takes an early lead, but a patient Thomas proves there are advantages to riding on tracks instead of roads. Beginning readers will delight in this charming adaptation of the classic Thomas the Tank Engine story Thomas and Bertie. From the Trade Paperback edition.

BALTO AND THE GREAT RACE

Vintage Recounts the author's experiences with the reclusive Tarahumara Indians, whose techniques allow them to run long distances with ease, and describes his training for a fifty-mile race with the tribe and a number of ultramarathoners.

THE GREAT RACE

STICKER STORYBOOK

TO CONQUER THE AIR

THE WRIGHT BROTHERS AND THE GREAT RACE FOR FLIGHT

Simon and Schuster James Tobin, award-winning author of *Ernie Pyle's War* and *The Man He Became*, has penned the definitive account of the inspiring and impassioned race between the Wright brothers and their primary rival Samuel Langley across ten years and two continents to conquer the air. For years, Wilbur Wright and his younger brother, Orville, experimented in obscurity, supported only by their exceptional family. Meanwhile, the world watched as Samuel Langley, armed with a contract from the US War Department and all the resources of the Smithsonian Institution, sought to create the first manned flying machine. But while Langley saw flight as a problem of power, the Wrights saw a problem of balance. Thus their machines took two very different paths—Langley's toward oblivion, the Wrights' toward the heavens—though not before facing countless other obstacles. With a historian's accuracy and a novelist's eye, Tobin has captured an extraordinary moment in history. *To Conquer the Air* is itself a heroic achievement.

THE PASSING OF THE GREAT RACE

OR, THE RACIAL BASIS OF EUROPEAN HISTORY

IDITAROD

THE GREAT RACE TO NOME

Updated edition of Bill Sherwonit's 2002.

THE GREAT MATCH RACE

WHEN NORTH MET SOUTH IN AMERICA'S FIRST SPORTS SPECTACLE

HarperCollins The Great Match Race is a captivating account of America's first sports spectacle, a horse race that pitted North against South in three grueling heats. On a bright afternoon in May 1823, an unprecedented sixty thousand people showed up to watch two horses run the equivalent of nine Kentucky Derbys in a few hours' time. Eclipse was the majestic champion representing the North, and Henry, an equine arriviste, was the pride of the South. Their match race would come to represent a watershed moment in American history, crystallizing the differences that so fundamentally divided the country. The renowned sportswriter John Eisenberg captures all the pulse-pounding drama and behind-the-scenes tensions in a page-turning mix of history, horse racing, and pure entertainment.

GREAT RACE, THE PB

Barefoot Books And they're off! Thirteen creatures in China have come to the river to join in the Emperor's race. Who will win the ultimate honor of naming the first year of the new calendar? And what will happen to the thirteenth animal? Join Rat, Monkey, Dragon and al

LIFE'S GREATEST SECRET

THE RACE TO CRACK THE GENETIC CODE

Basic Books Everyone has heard of the story of DNA as the story of Watson and Crick and Rosalind Franklin, but knowing the structure of DNA was only a part of a greater struggle to understand life's secrets. *Life's Greatest Secret* is the story of the discovery and cracking of the genetic code, the thing that ultimately enables a spiraling molecule to give rise to the life that exists all around us. This great scientific breakthrough has had farreaching consequences for how we understand ourselves and our place in the natural world, and for how we might take control of our (and life's) future. *Life's Greatest Secret* mixes remarkable insights, theoretical dead-ends, and ingenious experiments with the swift pace of a

thriller. From New York to Paris, Cambridge, Massachusetts, to Cambridge, England, and London to Moscow, the greatest discovery of twentieth-century biology was truly a global feat. Biologist and historian of science Matthew Cobb gives the full and rich account of the cooperation and competition between the eccentric characters—mathematicians, physicists, information theorists, and biologists—who contributed to this revolutionary new science. And, while every new discovery was a leap forward for science, Cobb shows how every new answer inevitably led to new questions that were at least as difficult to answer: just ask anyone who had hoped that the successful completion of the Human Genome Project was going to truly yield the book of life, or that a better understanding of epigenetics or “junk DNA” was going to be the final piece of the puzzle. But the setbacks and unexpected discoveries are what make the science exciting, and it is Matthew Cobb’s telling that makes them worth reading. This is a riveting story of humans exploring what it is that makes us human and how the world works, and it is essential reading for anyone who’d like to explore those questions for themselves.

BRER RABBIT AND THE GREAT RACE AND HOW BRER RABBIT LOST HIS TAIL

Enjoy the mischievous adventures of Brer Rabbit and his friends in this 'see and say' storybook. Children love to join in by saying the picture words aloud, and as their recognition and understanding develop, their confidence and reading skills will grow.

THE GREAT RACE. THE STORY OF THE CHINESE ZODIAC

Snowfoxfables A brand new lavishly illustrated retelling of the story of the Chinese zodiac

THE GREAT ZODIAC RACE

Toucan Publishing The Great Zodiac Race was the winner for 2017 Best Book Awards - Children's Picture Book: Softcover Fiction. A challenge has been set! A race is on! But this is no ordinary race. The first 12 animals to cross the finish line will have a Zodiac sign named after them in the order they arrived. What an honor that will be! All the animals are determined to run the race. It is not an easy journey as the race will lead them through the tall mountains, a deep dark forest and towards the end, they will have to find a way to cross the freezing river. Surely, the fastest animals like the Tiger and Horse are sure to come first right? What about the mystical Dragon who can fly or the Dog with his endless energy? Will the Rat and the Cat be able to overcome their fears to cross the freezing waters? The Ox and the Pig, will they even have a chance? Who will grab first place in the race, and who will fight to the very end for the 12th place in the Zodiac? Little readers will love to hear about how each animal reached the end to claim their Zodiac sign, and at the same time, learn about the sequence of the Zodiac. W C Jefferson's charming rhymes and T F Wister's whimsical drawings bring to life a new version of an ancient tale of how the 12 animals of the Chinese Zodiac came to have a year named after them. This charming, colorful Award Winning Children's Book would be a great gift anyone that likes their zodiac. Gift a copy to someone you love today!

ZAL AND ZARA AND THE GREAT RACE OF AZAMED

Zal and Zara "It's time for the Great Race of Azamed--the most exciting magic carpet race in the world. Two young contestants, Zal and Zara, are confident they can win -- until their carpet is sabotaged by their deadliest rival".--backcover.

ATLANTIC

THE LAST GREAT RACE OF PRINCES

Wiley Advance praise for ATLANTIC "Atlantic is a stirring story that illuminates a magical period in our maritime history. Scott Cookman weaves the compelling plot in a manner that will fascinate both the landlubber and the sailor alike. The schooner Atlantic's transatlantic racing record has remained unbeaten for nearly a century-and the story behind the race makes that achievement even more impressive. Cookman has done his homework well and unfolds that story page by page . . . the reader can just about feel the icy lash of a North Atlantic swell crashing aboard as the massive sailing craft are driven toward their destination by men and women whose dreams and goals (and even the pride of their countries) hang in the balance." -Peter Isler, America's Cup veteran, author of the bestselling *Sailing for Dummies*, and Editor at Large for *Sailing World* "Outstanding. Cookman is equally adept at depicting the gut-wrenching tension of ocean racing; the politics, intrigues, and skullduggery of billionaires, society snobs, and sailors who make Captain Ahab seem the model of restraint; and a gilded, vanished era under the gathering storm clouds of war." -Neil Hanson, author of *The Custom of the Sea* "In 1905, the key to unlocking America's

economic potential was swift travel across the Atlantic. Scott Cookman recounts in meticulous detail the fanatical race for maritime supremacy. Scions and captains of industry took the challenge by racing across the ocean." -Gary Jobson, America's Cup--winning tactician on Ted Turner's *Courageous* (1977) and ESPN sailing analyst "Anyone who has ever been to sea, or dreamed of a sailing adventure, will be captivated by this extraordinary seafaring story. It is a perfect balance of history, intrigue, and period personalities that will make your palms sweat as you rush headlong through storm and fog to the finish." -Rockwell B. Harwood, Commodore, Stamford Yacht Club (1999--2001)

THE GREAT STEAMBOAT RACE

The captains of two famous steamboats fight to win a race on the Mississippi River from New Orleans to St. Louis

IT CAN'T HAPPEN HERE

Penguin "The novel that foreshadowed Donald Trump's authoritarian appeal."—Salon *It Can't Happen Here* is the only one of Sinclair Lewis's later novels to match the power of *Main Street*, *Babbitt*, and *Arrowsmith*. A cautionary tale about the fragility of democracy, it is an alarming, eerily timeless look at how fascism could take hold in America. Written during the Great Depression, when the country was largely oblivious to Hitler's aggression, it juxtaposes sharp political satire with the chillingly realistic rise of a president who becomes a dictator to save the nation from welfare cheats, sex, crime, and a liberal press. Called "a message to thinking Americans" by the *Springfield Republican* when it was published in 1935, *It Can't Happen Here* is a shockingly prescient novel that remains as fresh and contemporary as today's news. Includes an Introduction by Michael Meyer and an Afterword by Gary Scharnhorst

LOUIE'S GREAT RACE

Briny Bunch Publications Not the biggest fish in the sea, Louie is challenged by Rocko, a young, confident barracuda to a race across the Gulf Coast. Louie must win or suffer the ultimate consequence, being Rocko's lunch. The race twists and turns across well known reefs and shipwrecks on the Gulf Coast. Will Louie become "fish food" or will a friendship and bond be formed out of competition?

THE FAR RIGHT TODAY

John Wiley & Sons The far right is back with a vengeance. After several decades at the political margins, far-right politics has again taken center stage. Three of the world's largest democracies - Brazil, India, and the United States - now have a radical right leader, while far-right parties continue to increase their profile and support within Europe. In this timely book, leading global expert on political extremism Cas Mudde provides a concise overview of the fourth wave of postwar far-right politics, exploring its history, ideology, organization, causes, and consequences, as well as the responses available to civil society, party, and state actors to challenge its ideas and influence. What defines this current far-right renaissance, Mudde argues, is its mainstreaming and normalization within the contemporary political landscape. Challenging orthodox thinking on the relationship between conventional and far-right politics, Mudde offers a complex and insightful picture of one of the key political challenges of our time.

THEIR EYES WERE WATCHING GOD

Prabhat Prakashan *Their Eyes Were Watching God* is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

THE GREAT RACE

Cartwheel Books The animals on the farm want to have a race. Who will win?

IRON WAR

DAVE SCOTT, MARK ALLEN, AND THE GREATEST RACE EVER RUN

VeloPress The 1989 Ironman World Championship was the greatest race ever in endurance sports. In a spectacular duel that became known as the Iron War, the world's two strongest

athletes raced side by side at world-record pace for a grueling 139 miles. Driven by one of the fiercest rivalries in triathlon, Dave Scott and Mark Allen raced shoulder to shoulder through Ironman's 2.4-mile swim, 112-mile bike race, and 26.2-mile marathon. After 8 punishing hours, both men would demolish the previous record--and cross the finish line a mere 58 seconds apart. In his new book *Iron War*, sports journalist Matt Fitzgerald writes a riveting epic about how Allen and Scott drove themselves and each other through the most awe-inspiring race in sports history. *Iron War* goes beyond the pulse-pounding race story to offer a fascinating exploration of the lives of the world's two toughest men and their unquenchable desire to succeed. Weaving an examination of mental resolve into a gripping tale of athletic adventure, *Iron War* is a soaring narrative of two champions and the paths that led to their stunning final showdown.

HOLISTIC SPACES

108 WAYS TO CREATE A MINDFUL AND PEACEFUL HOME

Ryland Peters & Small Transform your home into a calm, balanced and harmonious oasis using architect Anjie Cho's helpful advice, drawing on her background in green design and feng shui. From the bedroom to the home office, these intuitive, straightforward tips will teach you to how improve your spaces to boost the flow of energy through your life.

IN BLACK AND WHITE

THE UNTOLD STORY OF JOE LOUIS AND JESSE OWENS

Simon and Schuster In 1936 athlete Jesse Owens won four gold medals at the Berlin Olympics and, two years later, boxer Joe Louis won a crushing victory to become heavyweight champion of the world. Despite their fame and success, both men would find themselves barred from certain hotels and would have to eat outside restaurants because of the colour of their skin. However, by their example, they gave hope to millions of black people around the world as they became the first black superstars. In Donald McRae's William Hill prize-winning dual biography, he compiles a brilliant portrait of the two men, who became close friends despite their very different career paths: within days of Olympic glory, Owens was banned from competing again, and was forced to spend his days racing against horses to earn a living before becoming a spokesman for the sporting ideal. Meanwhile Louis won and lost a fortune, eventually battling with drug addiction and mental illness. His vivid account of their lives away from the public eye, and the era in which they lived, is compelling and tragic.
