How to Create the Perfect Cut, Shape, Color, and Perm for Any Hair Type

Secrets and Techniques from a Master Hair Stylist

Atlantic Publishing Company *Cutting hair is rife with inspiration and style but has room for critique. Understanding how to read and work with hair is something many stylists work toward their entire lives. Cosmo Easterly, master stylist and the author of this book, brings his expertise to you in this complete guide to understanding hair. Designed to guide even the most untrained hair stylists through the rigors of the industry, you will learn everything you need to know to transform yourself from just another stylist into one with returning customers. This book features tips on hair styling methods and outlines the required resources you need to be a successful hair stylist. You will learn all the necessary aspects of the hair styling profession, starting with the most essential: the mindset every stylist needs when cutting and styling hair. You will learn the essence of creativity in reading, cutting, forming, coloring, and texturing hair. You will also learn how to talk with your clients and learn what they want, how they react to you, and what you can expect when cutting their hair. Presented by Cosmo Easterly, a premier name in hair styling, this guide will teach you everything imaginable about the industry before jumping into the key components of cutting, shaping, coloring, and perming. You will learn about balance points, symmetry, lotions, tension wrapping, and the particular needs of fine, medium, and coarse hair. For every potential and soon-to-be hair stylist, Cosmo Easterly's complete guide to understanding and styling hair is a stepping stone into the industry. Crown

An Ode to the Fresh Cut

Agate Publishing Named one of the best books of 2017 by NPR, the Huffington Post, Publishers Weekly, Kirkus Reviews, the Los Angeles Times, the Boston Globe, the Horn Book Magazine, the News & Observer, BookPage, Chicago Public Library, and more The barbershop is where the magic happens. Boys go in as lumps of clay and, with princely robes draped around their shoulders, a dab of cool shaving cream on their foreheads, and a slow, steady cut, they become royalty. That crisp yet subtle line makes boys sharper, more visible, more aware of every great thing that could happen to them when they look good: lesser grades turn into As; girls take notice; even a mother's hug gets a little tighter. Everyone notices. A fresh cut makes boys fly. This rhythmic, read-aloud title is an unbridled celebration of the self-esteem, confidence, and swagger boys feel when they leave the barber's chair—a tradition that places on their heads a figurative crown, beaming with jewels, that confirms their brilliance and worth and helps them not only love and accept themselves but also take a giant step toward caring how they present themselves to the world. The fresh cuts. That's

where it all begins. *Crown: An Ode to the Fresh Cut* is a high-spirited, engaging salute to the beautiful, raw, assured humanity of black boys and how they see themselves when they approve of their reflections in the mirror.

Cut in Half

The Hidden World Inside Everyday Objects

Chronicle Books What exactly is inside a laptop, a golf ball, a vacuum cleaner, or a novelty singing fish toy? The insides of these and dozens of other objects are revealed in this photographic exploration of the stuff all around us, exposed and explained. With the help of a high-pressure waterjet cutter able to slice through 4 inches of steel plate, designer and fabricator Mike Warren (creator of the popular *Cut in Half* YouTube channel) cuts into everything from boom boxes to boxing gloves, oil filters to seashells, describing and demystifying the inner workings and materials of each. With gorgeously detailed photography, *Cut in Half* is a fascinating and accessible popular science look at the extraordinary in the everyday.

Liam's First Cut

Kia Harris Juniors In her debut children's book, "*Liam's First Cut*," Taye Glover weaves together the beauty of fatherhood, community, and neurodivergence as Liam, a black boy with an autism spectrum disorder, approaches a day he's been anticipating, for quite some time. Liam takes us on a journey towards a big rite of passage in every boy's life as he prepares to get his hair cut on his first visit to a barbershop.

A Novel

Penguin The #1 New York Times bestselling WORLDWIDE phenomenon Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick | Independent (London) Ten Best Books of the Year "A feel-good book guaranteed to lift your spirits."—The Washington Post The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of *How To Stop Time* and *The Comfort Book*. Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better? In *The Midnight Library*, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place.

Cigars: The Ultimate Guide to Cigar Smoking

Lulu Press, Inc *The taste of cigars is much more complex than cigarettes. The majority of all cigars are created by wrapping three different layers of tobacco leaves together. High quality cigars usually contain long leaves of nicotine as the filler, although they may also contain a combination of scraps. This results in subtle variations, different textures, and complex flavors. Cigarettes, on the other hand, are mass-produced and generally only contain one type of tobacco. Cigars also come in an incredible variety of flavors. The dedicated cigar aficionado can find chocolate, vanilla, apple, and even coffee-flavored cigars! Discover everything you need to know by grabbing a copy of this ebook today.*
