SOOLEY

A NOVEL

Anchor #1 NEW YORK TIMES BEST SELLER • John Grisham takes you to a different kind of court in his first basketball novel. Samuel “Sooley” Sooleymon is a raw, young talent with big hoop dreams—and even bigger challenges off the court. “Hard to put down ... the pages turn quickly ... building to a climax that won’t leave readers doubting whether this is a John Grisham novel.” —Associated Press In the summer of his seventeenth year, Samuel Sooleymon gets the chance of a lifetime: a trip to the United States with his South Sudanese teammates to play in a showcase basketball tournament. He has never been away from home, nor has he ever been on an airplane. The opportunity to be scouted by dozens of college coaches is a dream come true. Samuel is an amazing athlete, with speed, quickness, and an astonishing vertical leap. The rest of his game, though, needs work, and the American coaches are less than impressed. During the tournament, Samuel receives devastating news from home: A civil war is raging across South Sudan, and rebel troops have ransacked his village. His father is dead, his sister is missing, and his mother and two younger brothers are in a refugee camp. Samuel desperately wants to go home, but it’s just not possible. Partly out of sympathy, the coach of North Carolina Central offers him a scholarship. Samuel moves to Durham, enrolls in classes, joins the team, and prepares to sit out his freshman season. There is plenty of more mature talent and he isn’t immediately needed. But Samuel has something no other player has: a fierce determination to succeed so he can bring his family to America. He works tirelessly on his game, shooting baskets every morning at dawn by himself in the gym, and soon he’s dominating everyone in practice. With the Central team losing and suffering injury after injury, Sooley, as he is nicknamed, is called off the bench. And the legend begins. But how far can Sooley take his team? And will success allow him to save his family? Gripping and moving, Sooley showcases John Grisham’s unparalleled storytelling powers in a whole new light. This is Grisham at the top of his game.

RANGER GAMES

A STORY OF SOLDIERS, FAMILY AND AN INEXPLICABLE CRIME

Anchor "A gloriously good writer...Ranger Games is both surprising and moving...A memorable, novelistic account."—Jennifer Senior, *New York Times* Intricate, heartrending, and morally urgent, *Ranger Games* is a crime story like no other. Alex Blum was a good kid, a popular high school hockey star from a tight-knit Colorado family. He had one goal in life: endure a brutally difficult selection program, become a U.S. Army Ranger, and fight terrorists for his country. He poured everything into achieving his dream. In the first hours of his final leave before deployment to Iraq, Alex was supposed to fly home to see his family and beloved girlfriend. Instead, he got into his car with two fellow soldiers and two strangers, drove to a local bank in Tacoma, and committed armed robbery... The question that haunted the entire Blum family was: Why? Why would he ruin his life in such a spectacularly foolish way? At first, Alex insisted he thought the robbery was just another exercise in the famously daunting Ranger program. His attorney presented a case based on the theory that the Ranger indoctrination mirrored that of a cult. In the midst of his own personal crisis, and in the hopes of helping both Alex and his splintering family cope, Ben Blum, Alex’s first cousin, delved into these mysteries, growing closer to Alex in the process. As he probed further, Ben began to question not only Alex, but the influence of his superior, Luke Elliot Sommer, the man who planned the robbery. A charismatic combat veteran, Sommer’s manipulative tendencies combined with a magnetic personality pulled Ben into a relationship that put his loyalties to the test.

Each girl has a different personality so that every reader can find a character she relates to. The books, based on Scripture, show solid biblical solutions to the bullying problem set in a story for kids. So Not Okay, the first book in the series, tells the story of Tori Taylor, a quiet sixth grader at Gold Country Middle School in Grass Valley, California. Tori knows to stay out of the way of Kylie, the queen bee of GCMS. When an awkward new student named Ginger becomes Kylie's new target, Tori whispers a prayer of thanks that it's not her. But as Kylie's bullying of Ginger continues to build, Tori feels guilty and tries to be kind to Ginger. Pretty soon, the bullying line of fire directed toward Ginger starts deflecting onto Tori, who must decide if she and her friends can befriend Ginger and withstand Kylie's taunts, or do nothing and resume their status quo. Tori's decision dramatically changes her trajectory for the rest of the school year.

CRAIG & FRED

A MARINE, A STRAY DOG, AND HOW THEY RESCUED EACH OTHER

HarperCollins The uplifting and unforgettable true story of a US Marine, the stray dog he met on an Afghan battlefield, and how they saved each other and now travel America together, "spreading the message of stubborn positivity." In 2010, Sergeant Craig Grossi was doing intelligence work for Marine RECON—the most elite fighters in the Corps—in a remote part of Afghanistan. While on patrol, he spotted a young dog "with a big goofy head and little legs" who didn't seem vicious or run in a pack like most strays they'd encountered. After eating a piece of beef jerky Craig offered—against military regulations—the dog began to follow him. "Looks like you made a friend," another Marine yelled. Grossi heard, "Looks like a 'Fred.'" The name stuck, and a beautiful, life-changing friendship was forged. Fred not only stole Craig's heart; he won over the RECON fighters, who helped Craig smuggle the dog into heavily fortified Camp Leatherneck in a duffel bag—risking jail and Fred's life. With the help of a crew of DHL workers, a sympathetic vet, and a military dog handler, Fred eventually made it to Craig's family in Virginia. Months later, when Craig returned to the U.S., it was Fred's turn to save the wounded Marine from Post-Traumatic Stress. Today, Craig and Fred are touching lives nationwide, from a swampy campground in a Louisiana State Park to the streets of Portland, Oregon, and everywhere in between. A poignant and inspiring tale of hope, resilience, and optimism, with a timeless message at its heart—"it is not what happens to us that matters, but how we respond to it"—Craig & Fred is a shining example of the power of love to transform our hearts and our lives.
