WRECKAGE: BOXED SET

THE COMPLETE ROCKSTAR ROMANCE COLLECTION

LuxLife Publishing Three bad boy British rockstars (and one all-American charmer) re-build the wreckage of their bad-ass band, and meet the fierce women who become their biggest fans. The complete 4-book rockstar romance series! *Jagged*: Celia: I need to discover a band, and sign them - fast. I didn't expect to find Wreckage. And I definitely didn't want to find Ewan Boyd. The Scottish bad boy's temper has already burned me once. He f*cked me over. He got me fired. He's the worst kind of mistake. But he plays his guitar like a god and he plays my body even better. I know I can build him up to be a huge success again. I just have to keep myself from falling apart. Ewan: When the sh*t hit the fan and my band disintegrated, I was ready to walk away. Until she walked into the room. I was ready to give up on everything I'd worked for, but I'm not going to give up Celia Silver. She wants to work with me. She wants a "business relationship." But my only business plan is hearing her scream my name. I'm not a flash in the pan. I'm no f*cking "one hit wonder." I've got a second chance at rock stardom. But she's got to take a chance on me first. *Ripped*: August's got a mouth on her. With that fiery red hair, freckles, and fierce scowl, she orders us around like she owns us. And the rest of the band seems fine with letting her run the show. But not me. She might be our manager, but there's no way she can manage me. She thinks falling for a musician is a mistake. I'm going to be the best mistake she'll ever make. *Shredded*: When something slammed into me at band rehearsal, I wasn't expecting it to be a woman that landed on top of me. And I definitely wasn't expecting it to be a woman like Reese Bailey. My blue-eyed, backwoods angel is the exact opposite of what I should want. After all, I'm the millionaire rockstar bassist of Wreckage whose family owns one of the largest estates in England, and she's a tough-talking American country girl and the only female roadie on our crew. She's not what I wanted. But she's exactly what I need. Now what I need is to bruise her lips with mine and feel her body quiver as I make her moan. But she's holding back. She's scared of something and I need to know what it is. Because I want all of her. Even her secrets. *Torn*: Hudson: I stumbled into rock stardom and it's given me everything I ever wanted. Except her. My bandmate's little sister. She's off limits. I know this. But I can't stay away. When I laid her lush body beneath mine, we both swore this was the last time. I had no idea it was also her first. *Tallula*: My brother knows something is up. We have to watch our step. We have to be careful. We have to stop taking these crazy risks. One wrong move and we lose everything. One single slip up and it's the end of Wreckage... forever.

GHOST NOTE

A ROCK STAR ROMANCE

*Independently Published Six years. Seventy-two months. Over two thousand days. That's what I'd dedicated to that guitar-playing a*sehole, Danny Silver. Now I, Daisy Piper, was left to pick up the wreckage of his love while he ran off with the band to find fortune and fame. Life went on without him, and a new man soon rescued me from the ashes of Danny, but a part of my heart remained a little broken, no matter who tried to fix it. First loves can't be forgotten so easily, and when Danny returned to our small hometown in Devon-famous and adored by millions-I couldn't stop myself from wanting to get a glimpse of the man I'd once laid beside, to see how much he'd changed. The smallest actions make for the biggest mistakes, and a single look into Danny's eyes was all it took before I ran. I ran because the spark that came to life inside felt dangerous, and I wasn't the kind of girl who enjoyed getting burnt twice. But running from a rock star isn't as easy as I thought it would be, and with Danny's sights now firmly set on me again, all I could do was pray that he got bored of the chase. That he thought life in Devon was too slow for him, and that he craved the bright lights of the city, as well as the noise of the stadium. If he didn't, I was about to ruin everything for everyone. Especially myself, and my stupid little Silver-lined heart.*

But he plays his guitar like a god and he plays my body even better. I know I can build him up to be a huge success again. I just have to keep myself from falling apart. Ewan: When the sh*t hit the fan and my band disintegrated, I was ready to walk away. Until she walked into the room. I was ready to give up on everything I'd worked for, but I'm not going to give up Celia Silver. She wants to work with me. She wants a "business relationship." But my only business plan is hearing her scream my name. I'm not a flash in the pan. I'm no f*cking "one hit wonder." I've got a second chance at rock stardom. But she's got to take a chance on me first.*

TRUE

A ROCKSTAR ROMANCE

*LuxLife Publishing What's more dangerous than falling in love? True: Ruthless has been my favorite band forever. But I protect her. Again, and again and again. She rarely talks. She won't let me touch her. She's a f*cking mess. So why the hell do I want her so badly? Piper: I went looking for danger and I found it. I found him. If Cash Truman wants to play knight in shining armor, that's his problem. I don't need his help. WHOA! I MARRIED A...

WEDDED CURVES SERIES

Welcome to Oakwood Falls. A mountainside town, where the swoon is high and the men are dreamy. Get all five Wedded Curves stories in one boxset. *Whoa! I Married a Mountain Man* Always the bridesmaid and never the bride. It's something I'd resigned myself to. Then at my best friend's wedding, I met Gavin 'Bear' Warren. He made my heart go boom. I remember laughing. I remember talking. I even remember going for a long walk together. What I don't remember is saying 'I do'. Somehow, I'm the bride, married to a man-a mountain man-I just met. What do I do now? *Whoa! I Married a Billionaire* You never truly know a man until you share a bank account. That's something my granny used to say growing up. I never cared about money, only the man. But when I married Danny Cardiff, I finally understood what she meant. When I said, 'I do' I thought it was to a mild mannered ex-marine turned business analyst who spent more time working at home than in the office. But when we went on our honeymoon, I realized just how wrong I was. There was a private jet. We had an entire island to ourselves. Staff to cater to every whim. When I grew concerned over how we could afford this, he broke the news. He's a billionaire. *Whoa! But now I'm wondering what other secrets he's hiding.* *Whoa! I Married the Pitcher* It only took one strike. The moment I saw Bryce Cardiff step up to the mound, I knew he was the man I wanted to marry. Problem was, he was off limits to me. As the owner's daughter, I wasn't allowed to mingle with the players. But then we ran into each other in the stairwell, and...we couldn't help ourselves. Now we're on the run. All we want is each other. All baseball wants is their prized pitcher and their little princess back under the owner's thumb. I don't know how we're going to stop them from pulling us apart, but Bryce says he has a plan. I hope it's a good one. *Whoa! I Married a Rock Star* He made me the girl in his song. In the beginning, I was nothing more than an employee, a gift to his wealthy friends, the nanny who'd take care of their baby. Then we got to know each other. I always imagined a rock star would be arrogant and crude, but Tristan Alto was none of those things. Away from the limelight, he was charming, intelligent, and oh so worldly. He swept me off my feet, told me secrets I don't think anyone knew. I was his the moment he picked up his guitar and described me in song. *Whoa! I Married a Biker* With one look, my engine revved... Tattoos and leather jackets are a dime a dozen in the music industry. And as goddaughter to one of the world's biggest rock legends, I've seen my fair share of bad boys on motorcycles. Then Wyatt Tanner enters the room... He has the bike, the tattoos, and the leather jacket. But he isn't a musician pretending to be bad. He's a real, bonafide bad-a-s-s. An ex-member of an outlaw biker gang, he's the only genuine person in a room full of pretenders. I'm instantly drawn to him... We click immediately. He makes me feel things I've never imagined existed outside of stories and songs. I can see myself spending my life with him. But then his old life catches up, and suddenly my happily ever after doesn't seem so happy after all. Can we beat the odds and find our happily ever after in Oakwood Falls? As always, this Megan Wade book comes with her 'Sugar Promise'. High heat, low drama, guaranteed.
